

5. Database

Database

(Access through JIIT Noida)

The screenshot shows the ProQuest ABI/INFORM Collection website. The browser address bar displays `proquest.com/abicomplete?accountid=136238`. The ProQuest logo is in the top left, and the text "Access provided by Jaypee Institute of Information Technology" is in the top right. A navigation menu includes "Basic Search", "Advanced Search", "Publications", "Browse", "About", and "Change databases". A search bar contains the placeholder text "Enter search terms...". Below the search bar are filter options: "Full text", "Peer reviewed", and "Exclude Wire Feeds". A "Search tips" link is also present. The main content area features a large background image with the word "BUSINESS" and a financial chart. A text block describes the database as the most comprehensive ABI/INFORM™ database, covering ABI/INFORM Global, Trade and Industry, and Dateline. It mentions thousands of full-text journals, dissertations, working papers, and key business and economics periodicals like the Economist. A "Want to Learn More?" button is located on the right side of the page. The Windows taskbar at the bottom shows various application icons, the system clock at 15:22 on 07-02-2024, and the address `\\172.16.73.25`.
