The screenshot shows the IGLibrary search results page. The browser address bar displays 'portal.igpublish.com/iglibrary/search'. The page features a search bar with the text 'Enter search terms' and a 'Search' button. Below the search bar, there are navigation links: 'BISAC category', 'Advanced search', 'Search history', 'Recent view', 'Saved list', 'User guide', 'Personal account', and 'Sign out'. The main content area displays two search results. The first result is for the book 'Society for Industrial and Applied Mathematics, 2008; English; 352 Pages'. The abstract for this book reads: 'This book presents a new approach to analyzing initial-boundary value problems for integrable partial differential equations (PDEs) in two dimensions, a method that the author first introduced in 1997 and which is based on ideas of the inverse scattering transform. This method is unique in also yielding novel integral representations for the explicit solution of linear boundary value problems, which include such classical problems as the heat equation on a finite interval and the Helmholtz equation in the interior of an equilateral triangle.' Below the abstract are buttons for 'Read', 'Read on App', and 'Add to saved list'. The second result is for 'Proceedings of the eighth SIAM International Conference on Data Mining' by Mohammed J. Zaki, Ke Wang, Chid Apter, and Haesun Park, published by Society for Industrial and Applied Mathematics in 2008, with 869 pages. The abstract for this title is 'There is no abstract available for this title.' Below the second result are also buttons for 'Read', 'Read on App', and 'Add to saved list'. At the bottom of the page, there is a footer with the text 'portal for Jaypee University of Information Technology (JUIT)', 'Accessibility Contact Us', and '© 2021 IGI Publishing, Inc. All Rights Reserved.' The Windows taskbar at the bottom shows the system clock as 15:33 on 07-02-2024.

The screenshot shows the IGLibrary homepage. The browser address bar displays 'portal.igpublish.com/iglibrary/'. The page features a large banner image of a cityscape with the IGLibrary logo overlaid. Below the banner, there is a search bar with the text 'Advances in linear matrix inequality methods in control' and a 'Search' button. Below the search bar, there are two buttons: 'Show all titles' and 'Show all BISAC category'. Below these buttons, there is a 'Databases' section with a 'BISAC category' dropdown menu. The 'Databases' section contains a list of databases, with 'Society for Industrial and Applied Mathematics' selected. Below the 'Databases' section, there is a footer with the text 'portal for Jaypee University of Information Technology (JUIT)', 'Accessibility Contact Us', and '© 2021 IGI Publishing, Inc. All Rights Reserved.' The Windows taskbar at the bottom shows the system clock as 10:45 on 08-02-2024.
