## DEPOSIT SCHEME INFORMATION - TERMS AND CONDITIONS

As we receive applications from a large number of highly qualified students, we ask offer holders to pay a deposit when confirming that they wish to accept their offer. This is to ensure that King's can allocate the limited places to students who demonstrate their intention to study at King's. Please note that your deposit will be deducted from your tuition fees upon enrolling.

### **Scholarships**

Please read the "Offer Holder Information" sheet on King's Apply - 'Your Offer' screen if you are actively being considered for a full scholarship or if you have already obtained a fully scholarship which will cover your entire tuition fees.

### **Cancellation**

Please send us a message on King's Apply using the "Decision - Withdrawal" message category if you wish to cancel your acceptance.

- | Under the regulations governing distance selling contracts, you have **14 days** from the date that King's receives your deposit to change your mind. If, within this 14 day cooling-off period, you notify us of your wish to cancel your acceptance, we will decline your offer on your behalf and organise a refund of your deposit.
- | If you wish to cancel your acceptance after this 14 day period has passed, please inform us before you enrol and before the start of your programme. We will decline your place on your behalf but the deposit will be non-refundable.

Decisions on refunding the deposit where there are exceptional, unforeseen circumstances will be made by the university at its discretion. This may include serious ill-health or bereavement subject to the provision of appropriate evidence.

Further details on cancellation can be found in the 'After a Decision' section and 'Cancellation Rights' heading here: <https://www.kcl.ac.uk/study/postgraduate-taught/how-to-apply/important-information-for-applying>.

### **Failure to Meet Offer Conditions**

Please send us a message on King's Apply using the "Meeting Conditions of Offer/Confirmation" message category if you do not meet the conditions of your offer and ensure you provide official evidence as attachments.

- | If you do not meet the academic requirements of your offer **and** the university is unable to confirm your place on the programme, we will refund your deposit so long as this evidence is received by the same deadline for meeting conditions of your offer as specified in your offer letter above.
- | If you do not meet the English language requirements, you must demonstrate that you have proactively attempted to meet them after the point you paid the deposit. We will refund your deposit so long as you provide evidence that you took an accepted English Language test and not met the requirements **within the three months prior** to the start month of your programme (e.g. from 1st June for a programme starting in September; or from 1st October for a programme starting in January). This must be received by the same deadline for meeting conditions of your offer as specified in your offer letter above.

If you fail to provide us with evidence of meeting/not meeting the conditions of your offer, you will not be eligible for a refund.

### **Failure to Obtain a Student Visa**

Please send us a message on King's Apply using the "Decision - Withdrawal" message category.

We always aim to provide eligible students with a CAS number in sufficient time for a visa application to be approved before the enrolment period closes. If you find that you cannot secure a Student Visa, we may be able to refund your deposit depending on the circumstances. Please note we expect all students to make suitable arrangements to ensure they leave enough time between submitting their visa application and commencing their programme. If you request an extension to the deadline to meet your offer conditions and this is granted, this will impact the time that you have to make a visa application. Consequently, refunds will only be granted where students have proactively attempted to obtain their Student Visa and that failure to obtain a Student Visa was through no fault of their own.

### **After Enrolment**

If you enrol on your chosen programme and subsequently interrupt and/or withdraw from the programme, you will not be eligible for a refund of your deposit.
