JYC ANNUAL REPORT

2022 - 23

Orientation

13th September 2022

The JUIT Youth Club's orientation event for the academic year 2022–2023 took place on 15th September, 2022 at LT1. The main goal of the orientation was to present the club to new students and members, familiarise them with its mission, principles, and priority areas, and lay out the planned activities for the academic year. The ex-president of the club, Aditya Singh, gave a hearty welcome to the gathering before introducing the new club officers and outlining their responsibilities. Thereafter, the new President, Angel Singh took over the part and continued.

A thorough presentation was given, emphasising the club's dedication to inclusion, community service, and personal and professional development. Participants were introduced to the new Council Members and then the Council Members themselves introduced the numerous clubs and committees within the JYC to the students present there, establishing a sense of community and inspiring them to assume leadership positions.

To promote active engagement, the future events and activities—including workshops, seminars, and social initiatives—were also made known. The orientation activity was essential in fostering a welcoming and inclusive atmosphere, promoting the club's mission, and motivating students to actively participate in club events all year long.
