Online Webinar

Explore the engineering foundations of drone technology

July, 05, 2023

Dr. Vikas Baghel (Assistant Professor, ECE) delivered an online webinar on the topic “Exploring the Engineering Foundations of Drone Technology” for B. Tech (ECE and ECS)/M. Tech (ECE/IOT) /Ph.D. (ECE) aspirants.

Celebration

Independence Day Celebration

15 August 2023

India has completed 76 years of freedom on August 15, 2023 and celebrated it as 77th Independence Day. The celebration was done to re-experience the spirit of patriotism and to honour the glorious past of our country. The celebration began with the arrival of Hon'ble Vice Chancellor of the University Prof. Rajendra Kumar Sharma and the Registrar Major General (Retd.) Rakesh Bassi. NCC cadet's parade was the event of attraction for all people assembled for the occasion. Vice Chancellor unfurled the tricolor flag, followed by the National Anthem, which raised the patriotic feelings in the crowd. Hon'ble Vice Chancellor addressed the gathering with his speech. Students performed a 'Nukkad Natak' on patriotic theme.

One week workshop
Workshop

ROBOTRIX' workshop was organized by IEEE JUIT SB in collaboration with IEEE R10 Education Activities and IEEE Delhi section

August 17–23, 2023

The event's resource person was Dr. Vikas Baghel, Coordinator of e-Yantra, an MHRD-funded project started by IIT Mumbai. The Robotrix Workshop, spanning six enriching days, was a comprehensive program designed to introduce participants to the exciting world of robotics, and theoretical knowledge about IoT concepts and Arduino electronics to demonstrate basic principles behind

their design and functioning, and to provide hands-on experience of working on an Arduino interface and build a strong foundation in robotics.

Online webinar

One week 'Megadrone' workshop was organized by IEEE JUIT SB in collaboration with IEEE R10 Education Activities and IEEE Delhi section

August 24 -30, 2023

The JUIT Student Branch of IEEE proudly inaugurated the Megadrone Workshop, a comprehensive exploration into the world of drones. This workshop aimed to delve into the benefits, applications, types, and motions of drones. The mega drone workshop kicked off on the first day with a inauguration ceremony. The event began with an inspiring keynote speech by Dr. Vikas Baghel, an expert in the field of drone technology. The inaugural session set the tone for an exciting and informative workshop.

Unnat Bharat Bhiyan
Visit to Wakna Village
August, 20, 2023

On August 20, 2023, a group of students from JUIT visited the Wakna village as part of the UBA initiative. The purpose of the visit was to engage with the villagers, introduce them to the concept of UBA, understand their issues and concerns, and establish a connection for future collaboration and support.

Achievement

JUIT excelled in Rifle Shooting at State and National Level

August 26, 2023

Mr. Devansh Moudgil, student of BTech second year in JUIT achieved laurels for his university and State of Himachal Pradesh by excelling in Rifle Shooting at State and National Level. He was declared a “Renowned Shot” in 65 th National Shooting Championship held in Thiruvananthapuram in January 2023. Recently on 23 August 2023 he won VI Position in 42nd North Zone Shooting Championship held in Delhi and qualified for Nationals.

Sports

Semester Sports Tournament

August, 25, 2023

JUIT has organized semester sports tournament from 25th of August, commenced with great enthusiasm, promoting physical fitness, camaraderie, and healthy competition among students. Featuring diverse sports categories such as indoor games like Chess, Table tennis, Badminton and outdoor games like Cricket, Basketball, Football

and Volleyball. The event is showcasing intense matches that are highlighting both exceptional skills and sportsmanship. This occasion is not only Integrating the fresher’s into the college community through sports but also emphasizing the profound importance of sports in holistic student development, fostering qualities like discipline, teamwork, and stress management. The finals of the tournament are going to be held on 30th August, which is being awaited by everyone and especially by the audience who are supporting their respective teams in a very enthusiastic manner. This event is

being made possible and a great success by the dedication of the sports club of JYC, volunteers, coaches, and participants, leaving an indelible mark on the JUIT's sports culture and setting high expectations for the upcoming matches.

TIEDC Event
Biz Quiz 23
August 25-27, 2023

The aim of the Biz Quiz, which is the flagship event of TIED cell was to instill inquisitiveness and heighten public consciousness regarding the ever-present realm of businesses. Through diverse and captivating rounds, the event sought to test the participants about a range of business aspects, spanning from corporate innovations to fun facts. Event Description: Spanning three days, the event comprised three distinct rounds, infusing excitement and knowledge acquisition. The inaugural day witnessed all teams engaging in the initial round, where individuals within each team tackled a 25-question multiple-choice quiz, encompassing a broad spectrum of business knowledge. After amalgamating the scores of both team members, the top 29 teams earned passage to the ensuing round. Day two ushered in the second phase, involving the qualifying 29 teams. In this round, duos collaboratively responded to questions displayed on screen, aiming for succinct one-word answers within a stringent 20-second timeframe. Following this

round, the highest-scoring nine teams advanced to the climactic third round.

The third round was characterized by its interactivity and dynamic structure, comprising four captivating sub-rounds. Each sub-round introduced a unique set

of regulations and question types, catering to diverse categories. A distinctive inclusion was the incorporation of negative marking, infusing strategic elements into participants' decision-making. After navigating these intellectually stimulating sub-rounds, the competition reached its pinnacle with the announcement of the event's top three scorers, emerging as the victorious achievers. Event's Benefits: The event yielded multiple advantages, encompassing improved comprehension of business, nurtured curiosity, and heightened commercial awareness. Attendees honed skills like swift thinking, adept communication, and adaptability, all while engaging in friendly competition. Interactive rounds fostered active participation and networking, elevating confidence and enriching understanding of business intricacies for both participants and observers

NCC Event

Tree Plantation

August 29, 2023

The tree planting event held at Aashray Gaushala in Chambaghat, Solan was successfully organized by the 1HP Girls Bn, Solan in collaboration with the forest department, NSS, and NGO Sarthi. ANO Lt. Pragya Gupta along with Five SW Cadets, namely Cdt. Karishma, Cdt. Aradhya, Cdt. Vanshi, Cdt. Norin and Cdt. Sanya actively participated in the event. The event commenced with a thorough cleanliness drive in and around the Gaushala, showcasing the cadet's enthusiasm and excellent teamwork. Following the clean-up, the cadets proceeded to plant a diverse range of trees, including ebony, deodar, and pomegranate. Additionally, two of our cadets, Norin and Sanya, actively participated in the creation of a rangoli. As the Honorable Health Minister Col. Dhani Ram Shandil and CO Col. Sanjay Shandil arrived, a small pooja ceremony was conducted, followed by their participation in the tree planting activity. The event concluded with a

speech by the chief guest, marking this event a success.

जेपी सूचना प्रौद्योगिकी विश्वविद्यालय में हिंदी दिवस बड़े उत्साह के साथ मनाया गया

जेपी यूथ क्लब के साहित्यिक और वाद-विवाद क्लब ने जेपी सूचना प्रौद्योगिकी विश्वविद्यालय में लंबे समय से प्रतीक्षित हिंदी दिवस 14 सितम्बर 2023 को बड़े उत्साह के साथ मनाया। विभिन्न गतिविधियों के माध्यम से हिंदी दिवस के सार को जीवंत किया गया, छात्रों ने कविता, वाद-विवाद और निबंध सहित विभिन्न तरीकों के माध्यम से हिंदी में

अपनी दक्षता प्रदर्शित की। कार्यक्रम का मुख्य आकर्षण वाद-विवाद प्रतियोगिता होने से दर्शक मंत्रमुग्ध हो गए और इस तरह के शानदार कार्यक्रम में भाग लेने के लिए प्रेरित हुए, जेपी सूचना प्रौद्योगिकी विश्वविद्यालय में हिंदी दिवस समारोह ने भाषाई विविधता और सांस्कृतिक विरासत के महत्व को रेखांकित किया। बहस का विषय था "क्या हिंदी को संयुक्त राष्ट्र में अधिकार भाषा के रूप में मान्यता देनी चाहिए?", जिसे पक्ष में भूमिका गुप्ता (प्रस्ताव के लिए) और विपक्ष में अर्चित कौशल (प्रस्ताव के विरुद्ध) ने जीता। संवादात्मक सत्र का उद्देश्य हिंदी व्याकरण और शब्दावली के बारे में छात्रों की समझ को बढ़ाना था। इसके अलावा, कार्यक्रम में अतिथियों ने अपने प्रेरक शब्दों से अन्य छात्रों को सक्रिय रूप से ऐसे आयोजनों का हिस्सा बनने के लिए प्रेरित किया और विशेष रूप से जब बात 'मातृभाषा हिंदी' की हो। कुल मिलाकर यह आयोजन जेपी यूथ क्लब, साहित्यिक और डिबेटिंग क्लब, स्वयंसेवकों, सलाहकारों और प्रतिभागियों के समर्पण से एक बड़ी सफलता रही।

IEEE JUIT SB, ACM JUIT, SIAM JUIT, TIEDC, Alumni Cell, and Tech Club (JYC) Event

TECHWHIZ

September 15, 2023

The Engineer's Quest was held in conjunction with IEEE JUIT SB, ACM JUIT, SIAM JUIT, TIEDC, Alumni Cell, and Tech Club(JYC) of Jaypee University of Information Technology (JUIT) to commemorate National Engineer's Day. With a strong emphasis on technology and innovation, TechWhiz promises to be an extraordinary educational experience. The alumni discussion and quiz came after the event. The event's speaker was Mr. Varun Singh, an alumni from the CSE Department of JUIT. Omansh Shrama (1st yr), Saransh Dogra (1st yr), and Shivansh Choudhry (2nd yr) petitioned for first, second, and third place, respectively. JUIT is organizing such events on regular basis to increase the interest of students in Engineering as well as for the contribution in the development of India.

JYC Event

Celebrated World's Ozone Day

September 16, 2023

JUIT celebrated World's Ozone Day on 16th September 2023. More than 60 students were participated in the celebration of this event. Various activities, plantation drive, poster competition, and poetry were conducted in this event. The Vice Chancellor of JUIT Prof. R.K. Sharma, HoDs Prof. P. B. Barman and Prof. Sudhir Syal were also present during the celebration of ozone day. They encouraged the students to protect environment by reducing the use of various ozone depleting substances and develop new technologies that will prove useful to reduce the ozone depletion. The event was coordinated by Dr. Poonam Sharma, Dr. Ashok Kumar Nadda and student coordinator Mr. Divyansh Goel.

JYC Event

Diksha 2023

September 16, 2023

Jaypee University of Information Technology came alive with the vibrancy and glamour on the evening of September 16th as it hosted the eagerly anticipated “DIKSHA” freshers’ party . This year the theme of the event was Bollywood and it lived up to the hype in grand style. The event organised by the Jaypee Youth Club was a resounding success leaving both students and staff in awe of the talent, energy, and enthusiasm on display. The highlight of the evening was undoubtedly the spectacular performances that graced the stage, students showcased their incredible talents in dance and music. One of the most eagerly awaited moments of the evening was the announcement of Mr. Fresher and Miss Fresher, Aaditya Singh Duhoon was awarded with the title of Mr. Fresher while Miss Fresher’s title was won by Sanvi Sharma and the “DNR” dance group emerged as the winners of the “Best Dance Group” award. Speaking about the

success of Diksha, the President of the JYC Shivansh Mehrotra said, “We wanted to make sure that our freshers had a memorable start to their university journey, and Diksha exceeded our expectations. It was a testament to the talent and creativity of our students, and we’re thrilled that everyone had such a fantastic time”, while the event was an overall success of the collective efforts of all clubs and committees of JYC.

NCC Event

Tara Devi Trek and Drug Abuse and Prevention Rally

September 17, 2023

On 17th September 2023, the cadets of 1HP Girls Bn and 1HP Bn NCC Solan at Jaypee University of Information technology embarked on a two-fold mission that combined adventure with social responsibility. The NCC cadets initiated a drug abuse awareness campaign as part of their commitment to community service. This event aimed to educate and inspire people about the harmful effects of drug abuse. They organized a rally that drew the attention of the local community and passersby. Carrying banners, posters, and pamphlets with powerful messages against drug abuse, the cadets marched through the town, chanting slogans that resonated with all who heard them. Both at Shoghi and Wakhnaghat the cadets paraded through the

town, capturing the attention of local residents and passersby

IEEE JUIT SB, ACM, TIEDC, SIAM, and the Technical Sciences Club, JYC Event

Future Business Sharks 2.0

September 27, 2023

Jaypee University of Information Technology, Solan together organized "Future Business Sharks 2.0" on September 27, 2023. Under the prestigious auspices of TiE and in partnership with Hitbullseye, a premium brand of Bullseye Knowledge System Private Limited, the event was held. Students from a variety of academic fields, including BBA, B.Sc and B. Tech, have the opportunity to demonstrate their business knowledge and decision-making abilities through Future Business Sharks 2.0.

This occasion was advertised as a valuable learning opportunity that would not only put participants' judgment to the test but also offer insightful information about the business, entrepreneurship, and startup worlds. Prof. Shruti Jain, Associate Dean (Innovations) successfully organized this event along with the student coordinators of multiple JUIT chapters of IEEE, ACM and SIAM professional bodies.

Omega Leo JUIT and GCC Event

Donation Drive

September 30, 2023

The Omega Leo JUIT and Gender Champions Club JUIT, Wagnaghat organized a “Donation Drive” under the guidance and supervision of Dr. Hemant Sood and Mr Chandrapal Gautam(Faculty Coordinator Leo Club JUIT). On 23rd August 2023, essential articles for donation were collected at the Open Cafeteria from 2 to 8 pm which included items like wearable clothes, shoes, and packed food articles, which could be useful for needy families. The Omega Leo team and GCC team of JUIT carried out the collections of articles and distributed them to the needy people in the slums of Slogra and Chambaghat of Solan. JUIT administration is deeply acknowledged for providing all support for this noble cause.

JYC Event

Celebrated the Mahtma Gandhi Ji & Lal Bahadur Shastri Ji Jayanti

October 2, 2023

Jaypee University of Information Technology orchestrated a vibrant and inspiring event to commemorate Gandhi Jayanti and Shastri Jayanti, honoring the enduring legacies of two remarkable leaders, Mahatma Gandhi and Lal Bahadur Shastri. This day of remembrance was crafted with the intent of not only paying homage but also promoting the importance of sports, fitness, and unity among the university’s diverse community. The event commenced at 10:00 AM, drawing a diverse crowd of enthusiastic participants, including students, faculty, and staff. The day commenced with a poignant tribute to Mahatma Gandhi, the father of the nation and Lal Bahadur Shastri, who led the nation during critical times, both characterized by their simplicity, dedication, and unwavering commitment to the

principles of truth, non-violence, and social justice. Vice-Chancellor of JUIT Prof. (Dr.) Rajendra Kumar Sharma delivered a profoundly inspiring address, stressing the significance of character development and social responsibility in education. This address set the tone for the day’s activities and resonated deeply with the audience. The highlight of the event was the tug of war competition organised by Sports Club of JYC, a symbolic representation of strength through collective effort, showcasing the value of unity and coordination. The event emphasized that physical activity is not only essential for maintaining a healthy lifestyle but also fosters discipline, teamwork, and mental well-being. Additionally, as part of the university’s commitment to environmental sustainability and community engagement, a tree plantation drive was organized by the environment and health club of JYC in nearby villages. This initiative aimed to contribute to environmental conservation and create a greener, healthier future for the local

communities. The tree plantation drive exemplified the university's dedication to holistic development and social responsibility.

Youth Club of JYC **Parakram 2023** October 08, 2023

Parakram 2023, the annual sports fest organized by Jaypee University of Information Technology's Youth Club, kicked off with immense enthusiasm following a spectacular opening ceremony hosted at the JUIT auditorium. The Honorable VC, Prof. R.K. Sharma, alongside Registrar and Dean of Students Maj. Gen. Rakesh Bassi, inaugurated the event. Dr. Naveen Jaglan, Faculty Coordinator, JYC, Mr. Muneesh Sood, Sports Faculty Coordinator, Dr. Amit Srivastava, Former JYC Faculty Coordinator, Prof. Shruti Jain, Associate Dean (Innovations), Prof. Tiratha Raj Singh, Media In-charge, JUIT, and other esteemed faculty members, along with numerous students, graced this inaugural ceremony. Over the next three days, Parakram 2023 will witness intense competition among approximately 400 talented participants from universities such as IIT Ropar, IGMC Shimla, Chitkara University (Baddi), Chitkara University (Rajpura), Bahra University, Doon Business University, and UIET Panjab University. These participants will engage in a wide range of sports, including badminton, volleyball, basketball, cricket, chess, table tennis, and football. During these two days of competition, participants will battle fiercely across various sports, vying for the prestigious Parakram trophies. Beyond the

pursuit of victory, this event emphasizes the development of lifelong bonds, the promotion of physical fitness, and the nurturing of a spirit of sportsmanship. As athletes dedicate themselves to their respective sports, they also exemplify qualities such as resilience, teamwork, and unwavering dedication. Parakram 2023 is not only about competition but also about creating enduring memories and promoting unity among universities. This event has begun on an exceptional note, promising three days filled with athletic excellence and camaraderie. It's crucial to remember that the true essence of Parakram lies in the unity and sportsmanship it fosters among universities. Let the games begin, and may the best team emerge victorious, not only in sports but also in nurturing a spirit of unity and sportsmanship that transcends the boundaries of competition.

ACM, IEEE JUIT SB, SIAM, Technical science club, JYC and TIEDC Event

INNOVATE-A-THON

October 15, 2023

JUIT organised INNOVATE-A-THON in collaboration with ACM, IEEE JUIT SB, SIAM, Technical science club, JYC and Technology and Innovation Entrepreneurship Development Cell (TIEDC), on October 15, 2023, in Lecture Theatre 2. This event was to celebrate the Innovation Day. As we celebrate the birth anniversary of a true luminary, Dr. APJ Abdul Kalam, we reflect profound recognition of the indelible mark he left on the world of education, innovation, and science. The event promised to be a convergence of inventive minds, fostering a dynamic environment for the exploration of cutting-edge technologies and creative solutions.

The day kicked off with a vibrant inaugural session, with distinguished guests and industry experts setting the tone for a day filled with innovation and collaboration. The keynote speaker, Dr. R K Sharma, the Vice Chancellor renowned expert in Data Science and Machine Learning provided insights

after the inauguration, into the rapidly evolving landscape of technology and the role of innovation in shaping the future.

Participants immerse themselves in diverse technical workshops that run concurrently. In Room 1, ACM-JUIT conducts an exploration of Artificial Intelligence and Machine Learning, shedding light on the latest trends and applications. In Room 2, IEEE leads a Cybersecurity Masterclass, delving into critical aspects of cybersecurity and threat mitigation. In this pivotal segment, participants split into parallel tracks. Track 1, led by ACM-JUIT members, hosts a Cybersecurity Innovation Hackathon, challenging participants to devise innovative solutions to contemporary cyber threats. Simultaneously, Track 2, guided by IEEE members, explores IoT and Smart Technologies, providing insights into the practical applications of these technologies.

The Innovate a thon an Innovation Day Hackathon was a resounding success, with participating teams showcasing remarkable creativity and problem-solving skills. The winning teams, Invincible and Cosmos, stood out for their innovative approaches to real-world challenges, earning recognition for their potential impact and feasibility. These projects not only demonstrated technical excellence but also a commitment to addressing pressing global issues through technology. The event served as a platform to celebrate innovation and inspire future endeavours in the ever-evolving landscape of technology and problem-solving.

NCC Event

Social Work Adventure

October 15, 2023

The cadets of Jaypee University of Information technology embarked on a twofold mission that combined adventure with social responsibility.

The day began with a spiritual offering to Gambarashwra temple nested amidst of serene hill and river. The cadets gathered with full enthusiasm and high spirit to conquer nature challenge, beauty and their responsibility towards the nature. The cadets reached the Gambarashvara Shiv Temple pumping station where they first offer their pray to Lord Shiva. Along the way they encountered a diverse range of flora and fauna. After that the cadets showed their enthusiasm and energy to clean the environment and the river sight. All cadets then gathered their energy to proceed further in the task. Now were the most thrilling and adventurous part. The cadets began to trek through rugged terrains, leading them to phase 1 pumping station from where water is supplied to JUIT. Along the way a drive of cleaning the forest and the river edge is also conducted. Then they also visited the pumping station for the university and get some knowledge about how the pumping station works.

The NCC cadets' day was a remarkable blend of adventure, spirituality and social responsibility. The task of cleaning the river and the pumping station was a success. They not just cleaned the river but explored the beauty of nature along with diverse range of flora and fauna. This multiple purpose event showcased the cadets enthusiasm and concern towards the nature and dedication to personal growth and community engagement.

The CTO Dr. Amit Kumar Jakhar, Lt. Pragya Gupta and PI Jai lal accompanied the motivated cadets to volunteers to give their best for the social cause. JUIT organizes different kind of social awareness activities to make our youth more responsible and accountable.

Rotaract Club Event

Hack-a-Care: Hackathon

November 01, 2023

In the breathtaking backdrop of Jaypee University of Information Technology, an event of extraordinary significance, "Hack-a-Care: Hackathon for a Cause," unfolded. Organized by the Rotaract Club of Wagnaghat in collaboration with the Center of Excellence on AI-based Education, this Hack-a-thon epitomized innovation, collaboration, and the transformative power of technology aimed at fostering positive change. Themed around Agriculture, Education, Healthcare, and the Environment, it exemplified the essence of unity and collective progress. The event was inaugurated by the esteemed DRR Rtn. Rtr. Chinmay Abbhi, District 3080, alongside the respected faculty members of the university, Dr. Hari Singh Rawat, Dr. Vipul Sharma, and Dr. Pankaj Dhiman. After intense, creative, and collaborative endeavors, the following teams emerged as victors:

- Team Blue claimed the top honors.
- Byte Builder secured the second position.

- The third place was seized by Team Binary Brains.

This remarkable event not only showcased the boundless potential of technology but also demonstrated the commitment of young innovators to address critical issues in agriculture, education, healthcare, and the environment. It was a testament to the power of collaboration and innovation to bring about positive change in society.

JYC Event

Master Chef Competition

November 04, 2023

Jaypee University of Information Technology played host to the highly anticipated Master Chef Competition, a culinary spectacle that enthralled the

entire campus. The event commenced at 3:00 PM with a ceremonial lamp-lighting ceremony led by the distinguished faculty coordinator, Dr. Naveen Jaglan, and the president of the Jaypee Youth Club, Shivansh Mehrotra. The competition featured ten vibrant teams, each given three hours to demonstrate their culinary talents and creativity by preparing dishes of their choice to impress the judges. The kitchen buzzed with activity as participants prepared their dishes, while the audience radiated excitement, fervor, and unwavering support for their favorite teams.

In addition to the culinary contest, a series of exciting games and activities were organized alongside the competition to ensure that the event provided not only a gastronomic delight but also a source of entertainment for all.

The distinguished panel of judges and guests included Prof. Dr. Vivek Kumar Sehgal, Prof. Dr. Rajiv

Kumar, Prof. Dr. P.B. Barman, Dr. Amit Srivastava, Dr. Neena Jindal, and various other esteemed faculty members. Their presence added an extra layer of professionalism and expertise to the competition.

The culmination of this thrilling event saw 'Masala Masters' emerge as the first-place winners, followed by 'The Og's' in the second position, and 'Sweet Cuisine' securing the third position. These teams won hearts with their culinary prowess and innovative dishes.

The university extends its appreciation to all participants, judges, faculty members, and guests

for their invaluable contributions to the event's resounding success. The Master Chef Competition celebrated the culinary talents of the students while fostering a sense of unity and camaraderie within the university community.

The event's success was a result of the combined efforts of faculty coordinators Dr. Ashok Nadda and Dr. Poonam Sharma, along with student coordinators from the Environment and Health Club and various other JYC members. Looking ahead, the Jaypee Youth Club remains dedicated to promoting creativity, innovation, and culinary excellence among its students.

JYC Event

ALFAAZ 23

November 25-26, 2023

The Literary and Debating Club of JYC organised a spectacular literary extravaganza ALFAAZ '23, spanning two days filled with unique events and engaging sessions. The event kicked off with the inaugural session of JUIT Youth Parliament '23 (JYP '23) on 25th November 2023, which was attended by Registrar and dean of students Maj. Gen. Rakesh Bassi, JYC faculty Coordinator Dr. Naveen Jaglan, faculty coordinators of Literary Club and other respected faculty members. The topic of debate in YP was insightful discussion on the socio-economic landscape of Jammu Kashmir and Ladakh, presented by prominent personalities such as Jammu Kashmir and Ladakh Representatives at the J&K Reorganisation Act 2019. This session provided a thought - provoking start to the event, setting the tone for the following activities. In the evening, the Cinefest event took place, participants had the opportunity to express their Bollywood spirit through various activities, the DJ night added an extra element of fun with dance, face painting and more surprises.

The festivities continued with a Movie Night, offering a cinematic experience for all participants. On the second day, the event concluded with another engaging session of JYP, followed by the grand finale of ALFAAZ - LAFZ '23 (a poetry competition) at the Auditorium from 5:30 PM. The

Parliamentarian awards were a testament to the outstanding contributions of individuals who showcased exceptional skills and dedication during ALFAAZ '23. Arya Singh, representing the portfolio of Navneet Kaur, earned the prestigious title of Best Parliamentarian for her exemplary performance; Ayushi Tripathi received a High Commendation for her articulate representation of the portfolio of Narendra Modi. Special Mention was accorded to Anuja Purohit, embodying the spirit of Mahua Moitra; Yash Srivastava, eloquently representing Dr. Farooq Abdullah and Geetansh Singh, who brought forth the essence of Amit Shah's portfolio. In the realm of Individual Recognitions Keerti stood out as the Best Reporter, skillfully capturing the essence of the events. Astha Pipania shone as the Best Debutant, making a remarkable entrance into the ALFAAZ '23 stage. These individuals not only added vibrancy to the event but also demonstrated a commitment to excellence, leaving an indelible mark on the literary and debating landscape of JYC. The presence of esteemed guests Aman Yadav who is a law graduate, Sohan Ahuja who is master of social work student at Maharaja Sayajirao University and Simran Gohan who is currently working in Greyb an intellectual property consulting firm, contributed significantly to the success of ALFAAZ '23, enriching the event with their diverse perspectives and expertise. The ALFAAZ '23 event was an absolute success, bringing together literary enthusiasts, debaters, and creative minds from across the campus. The diverse range of activities, insightful

discussions, and entertaining performances created a vibrant atmosphere, leaving a lasting impression on everyone who attended.

JYC Event

UMANG

December 05, 2023

UMANG Open Mic Event (Dec5, 2023) On December 5th, JUIT campus witnessed extravaganza of knowledge exchange, sharing of thoughts about gender sensitivity and equity along with flavours of cultural program organised by the Omega Leo Club Wagnaghat and Gender Champions Club collaborated to present the captivating open mic event, "Umang." This event stood as a testament to the diverse talents and artistic fervour with dissemination of message about social concerns on respecting human irrespective of gender and invokes the spirit of fair treatment with sensitivity towards gender equality and thriving within the student community at JUIT. The core aim of "Umang" was to provide a vibrant platform for JUIT students, encouraging them to unfurl their talents and communicate their thoughts through various artistic mediums. Under the insightful guidance of esteemed faculty coordinators Dr. Hemant Sood, Dr. Nancy Singla, and Mr. Chandra Pal Gautam, the event was meticulously planned and seamlessly executed. Team of students from Omega Leo Club and Gender Champions created enthusiastic ambience for igniting the spirit of the event by transferring their thoughts on gender sensitivity, equality and equity to the audience. The evening unfolded with a kaleidoscope of artistic expressions. From soulstirring poetry recitations that echoed sentiments to melodious musical performances that resonated with emotions, the event encapsulated the essence of artistic diversity. Additionally,

engaging shayari, enlightening speeches on 'Gender Sensitization' and 'Ethical Code of Conduct,' and rib-tickling stand-up comedy acts added layers of depth and entertainment to the event. The presence of Prof. Rajendra Kumar Sharma, the Vice Chancellor of JUIT, added a distinguished aura to the occasion. Over twenty enthusiastic participants graced the stage, showcasing their talents and confidence with sheer dedication. To honor excellence, awards were conferred in categories such as singing, shayari, stand-up comedy, and speech delivery, recognizing and appreciating the outstanding performances. The resonating success of the Umang Open Mic Event left an enduring impression on all attendees. Beyond merely showcasing the extraordinary talents of JUIT students, it served as a catalyst, inspiring active participation and fostering a community that values artistic expression with transcending message about social concerns and their solutions. In essence, the Umang Open Mic Event transcended its purpose, becoming a vibrant celebration of creativity, talent, and communal spirit, leaving an indelible mark on the cultural landscape of JUIT.

GCC & ICC Event
Article Writing Competition 2024
 February 12-18, 2024

The Gender Champions Club (GCC) and Internal Complaint Committee (ICC) have organized an article writing competition on topic “Challenges for women in STEM and Sociological Perspective on gender inequality” on the occasion of International

Women Day from 12th Feb 2024 to 28th Feb 2024. There are more than 20 entries. GCC & ICC Event
MURIOUS 18.0
 March 8-10, 2024

The Jaypee University of Information Technology came alive with the commencement of MURIOUS 18.0, a three-day tech fest promising a fusion of technological prowess, creative expression, and spirited competition. The inaugural day unfolded with the ceremonial lighting of the lamp by Hon. Vice Chancellor Prof. (Dr.) Rajendra Kumar Sharma, Registrar Maj Gen Rakesh Bassi, and Dean of

Academics Prof. Dr. Ashok Kumar Gupta, setting the stage for an electrifying series of events. Prof Shruti Jain, Associate Dean Innovations, and Dr. Naveen Jaglan were also present among other distinguished guests. The day commenced with Expanse 3.0, an immersive showcase of the latest technological advancements, inviting participants to explore various domains of innovation. Simultaneously, the Rotaract Club of Waknaghat curated the Mystic Fair, an enchanting exhibition offering a glimpse into mystical and cultural experiences. Make it Print

unfolded the world of 3D printing, stimulating creativity and imagination.

Gaming enthusiasts were treated to intense battles in FIFA and Tekken tournaments that extended well into the night, keeping the competitive spirit ablaze. Concurrently, music aficionados gathered for Jamming (Bandish), an evening of harmonious melodies organized by Omega Leo Club, fostering collaboration and celebrating the universal language of music. The first day of MURIOUS painted a vibrant canvas of creativity, innovation, and entertainment. Attendees experienced an immersive journey, leaving an indelible mark. With diverse activities catering to every interest, the event fostered a sense of community and engagement among participants, promising an exhilarating continuation over the subsequent days of the festival.

The poster for MURIOUS 18.0 features a dark purple background with white and pink text. At the top, logos for JYC, JUIT, and Technical Movie Photography are displayed. The title 'MURIOUS 18.0' is prominently shown in a stylized font. Below the title, the word 'ITINERARY' is written in a bold, sans-serif font. The schedule is organized into three days: Day 1 (8-03-2024) | FRIDAY, Day 2 (9-03-2024) | SATURDAY, and Day 3 (10-03-2024) | SUNDAY. Each day lists various activities with their respective times, such as '9:00 AM ONWARDS | PICTURE PERFECT' and '5:00 PM | EXPANCE 3.0 x BIOHACKATHON STARTS'. At the bottom, social media handles for @tech.club and @murious.juit are provided, along with icons for Instagram and a triangle symbol.

JYC Event

Dhun`24'

March 28, 2024

Music has always been a source of bliss for our minds and hearts. It pacifies us and motivates us to do more of whatever we want. Jaypee University of Information Technology, Wagnaghat organized a music event called DHUN on 28th of March, 2023. Dhun was a unique singing competition where members of different choirs competed together. Approximately 50 students participated in the event and mesmerized the audience. With the motivation of all the other students, the participants were able to sing in front of such a large crowd. The performances were held in Basket Ball Court, with a light sound system and lighting rig providing the perfect atmosphere for the musicians to shine. In the presence of Neena Jindal, Rakesh Bajaj, Amit Shrivastava, Sunil Dutt, Gopal Bisht, Ekta Gandotra, Deepak Gupta and other teachers, this was an opportunity to motivate all students. Overall, Dhun'23 was a great success because of the contribution of all the attendees.

JYC Event

Le Fiestus`24'

May 10-12, 2024

The grand spectacle of 'Le Fiestus`24' continued to dazzle and enthrall as it unfolded its magic over three days from 10-12th May 2024 within the spirited confines of the Jaypee University of Information Technology.

Day 1 of the fest commenced with a spiritual invocation as Saraswati Puja, a homage to the goddess of knowledge, this solemn ceremony not only set a reverent tone for the fest but also underscored the university's commitment to academic excellence and spiritual values.

The evening witnessed the distinguished presence of the Hon. Vice Chancellor Prof. (Dr.) Rajendra Kumar Sharma, Registrar Maj Gen Rakesh Bassi, Dean of Academics Prof. Dr. Ashok Kumar Gupta, JYC faculty coordinator Dr. Naveen Jaglan along with Dr. Ruchi Verma, Dr. Sugandha Singh and JYC President Shivansh Mehrotra, who inaugurated the festivities with the traditional lighting of the lamp and also honoured the student coordinators of Jaypee Youth Club for their invaluable contributions with mementos and certificates, marking the auspicious beginning of the three day cultural journey.

Titles for the three days are as, Day – 1 'Folklore Freeway', Day – 2 'Rhythm Route', Day – 3 'Echo Expressway'. Event was very well organised and

managed collaboratively by 'The TribeVibe', 'United Production', 'Bharat Bass Festival' and the student body of the JYC, along with them are the media partners for this festival, Divya Himachal, Live Times and Himachal Tonite.

Despite the unforeseen challenge posed by inclement weather, which temporarily disrupted the planned cultural evening, the indomitable spirit of the university community prevailed, embodying resilience in the face of adversity. Undeterred by the initial setback, organisers swiftly mobilised, rearranging schedules and venues to ensure the festivity continued unabated. With all this Day 2 emerged as a testament to the community's perseverance, a vibrant showcase of creativity and passion, themed "Rhythm Route" the auditorium pulsated with renewed energy and excitement as performers graced the stage, igniting the night with their boundless talent and unwavering passion. The evening unfolded like a symphony, each act a melody weaving seamlessly into the next, captivating the audience with its sheer brilliance.

The festivities commenced with a captivating performance by the music band, 'The Lost Fireflies,' their melodies resonating through the auditorium, setting the stage for an evening of mesmerising musical enchantment. As the crowd swayed to the rhythm, DJ Mr. Singh took over, infusing the atmosphere with his infectious beats, each note a call to celebration and revelry. The auditorium transformed into a pulsating dance floor, alive with the collective energy of students immersed in the euphoria of the moment.

While the judges for the cultural night of Day -1, 'Dhruva' and 'Shagulfi Khan' Along with 'Elina Chauhan', were regrettably unable to partake in the Day 1 festivities, their anticipated presence added to the anticipation and excitement surrounding the ongoing events. Day 2 of Le Fiestus not only showcased the rich tapestry of cultural diversity but also embodied the unwavering spirit and resilience of our university community, uniting hearts and souls in celebration. As the festivity continues to unfold, we eagerly anticipate the excitement and wonder that the remaining day holds in store.
