

6. Remote Access

<https://idp.juit.ac.in>

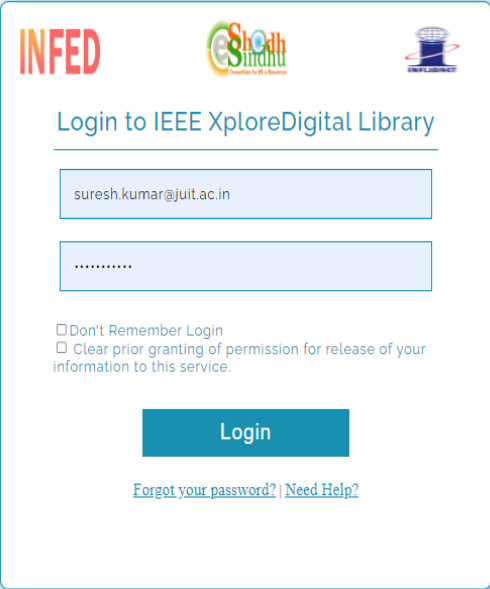

In addition to on-campus access, the university provides remote/off-campus access to e-resources for all users. This remote access facility is facilitated through INFED (The Indian Access Management Federation) of INFLIBNET Centre, which is an Inter University Centre (IUC) under UGC.

The screenshot shows the top portion of the website. The browser's address bar displays `idp.juit.ac.in`. The navigation menu includes [HOME](#), [E-RESOURCES](#), [FORGOT PASSWORD](#), and [CONTACT](#). A large banner image shows the entrance to Jaypee University of Information Technology, featuring a gate with the university's name and logo. Below the banner, the text reads: "WELCOME TO JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY (JUIT)", "Jaypee University of Information Technology (JUIT) Off-Campus Access", and a paragraph explaining the off-campus access service. A section titled "E-RESOURCES" is partially visible, with a dropdown menu for "E-JOURNALS".

This screenshot shows the "E-RESOURCES" section of the website. The "E-JOURNALS" dropdown menu is expanded, displaying a list of journals: ASCE, IEEE Xplore, Nature, Science Direct, and Springer. Below this, the "E-BOOKS" dropdown menu is visible. At the bottom of the page, a disclaimer states: "Systematic Downloading of e-Resources is strictly Prohibited! Please do not share your login ID and password with others. Login Credentials have already been shared with the Authorized Users for Accessing the above E-Resources. Users who have not received the Logins please contact suresh.kumar@juitsolan.in".

Web Login Service - Stale Request

You may be seeing this page because you used the Back button while browsing a secure web site or application. Alternatively, you may have mistakenly bookmarked the web login form instead of the actual web site you wanted to bookmark or used a link created by somebody else who made the same mistake.

Left unchecked, this can cause errors on some browsers or result in you returning to the web site you tried to leave, so this page is presented instead.

Page footer: Jaypee University of Information Technology (JUIT).
