**Sub:** Requisition for Duty Leave and Travel & Registration Expenses for giving Invited Lecture in "International Symposium on AAR" at IIT Guwahati, Assam, India.

Dear Sir,

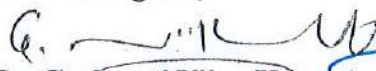

I (means Dr.Garlapati Vijay Kumar, BT&BI Dept., JUIT) have been invited to deliver the Invited Lecture in "International Symposium on Advances in Algal research" at IIT Guwahati, Assam, India from 12-14<sup>th</sup> June, 2023. The International symposium facilitates to discuss the frontier research areas in Algal research between different International and Indian researchers which will open the way for bi-lateral research collaborations in algal technology. As the organization committee requirement, I have to deliver the Invited Lecture and need to display the "Poster" of research activities at the symposium arena. As a part of this, I want to utilize the opportunity to collaborate the researchers in Algal Research Domain.

Due to the funding crisis, the organizing committee unable to provide the travel and registration expenses and providing the pickup and hospitality facilities to the invited speakers. As a part of this, I am requesting support from the JUIT towards the registration fee (8000/- Rs) and Travel expenses (15000/- Rs) along with the Duty Leave from 10<sup>th</sup> June – 15<sup>th</sup> June 2023.

For your consideration, I am attaching the Invitation mail and the International Symposium on AAR flyer with this requisition letter.

Looking for your financial support with approved duty leave.

With best regards,

  
(Dr. Garlapati Vijay Kumar)

Dear Sir

I am pleased to inform you that on Feb 23, 2024, Ramanujan Universe at JIIT is organizing a one-day workshop on HPC. It will be conducted in physical mode at JIIT sec 128 campus. The details of the confirmed speakers and their profiles are mentioned below. Speakers have been selected carefully so that our JUs faculty get a glimpse of High-end computing problems of various disciplines like Physics, Electrical, Chemistry, and Computer science. More speakers from other areas like Statistics and Bio may also be included in this list.

The exact title & detailed program will be shared later. I request you to kindly nominate 2-3 faculty members from your campus to attend this workshop (Including the Nodal Coordinator). Faculty members who will attend this HPC will be requested to start some HPC-related initiatives at your campus.

JIIT is happy to provide the accommodation support.

In addition to the workshop, for JIIT/JUET/JPUA nominated faculty, a session related to how to use RU from your campus and other related issues ( like policies, SOP etc) will also be conducted. Looking forward for your support.

### One-day Workshop on High-Performance Computing Applications

The Department of CSE & IT at Jaypee Institute of Information Technology (JIIT), Noida, is organizing a High-Performance Computing (HPC) workshop. This event aims to highlight the myriad of possibilities unlocked by our cutting-edge HPC facility. Esteemed professors from the Indian Institute of Technology Delhi (IITD) will serve as speakers, each offering expertise across various domains such as machine learning, computational biology, materials science, and more. Attendees will gain insights into how HPC can revolutionize research and innovation across fields including data analytics, simulation, optimization, and scientific computing. This workshop promises to be a valuable platform for exploring the vast potential of HPC in academia and industry.
