E-WASTE - COMPUTERS

1. 60 Computers of JUIT have been discarded for disposal as e-waste. Mr. Sanjay Jain has been able to make 15 of these 60 computers operational and has suggested that faculty/staff are interested in buying computers if they are permitted. - Flag 'A'
2. This merits an institutional decision. My view on the proposal are as under:-
 - a) Not more than 15 percent computers should be considered for sale to employees as otherwise e-waste shall not be feasible.
 - b) Auction should be held and draw of lots should be conducted so that no particular computer is auctioned to a particular person.
 - c) JUIT Employees in Grade NT-6 to NT-8 should be given 10 percent relaxation in auction bid i.e. their bid should be equated accordingly.
3. Put up for your consideration and directions please.
