

Action Taken Report on Faculty Feedback (2021-22)

	Recommendation	Action Taken
Recommendation 1	Students admitted in 2020-21 session, lacks few fundamentals of class 12 th basic courses.	Following Bridge courses are introduced after the approval of ACM <ol style="list-style-type: none"> 1. Bridge Course 1 (Containing Physics and Maths lectures) 2. Bridge Course 2 (Containing Physics and Biology lectures)
Recommendation 2	Students should be allowed to use Open-Source Software in different undergraduate course.	Following Open-Source software's of Civil Engineering Department were approved by ACM which can be used by students in various courses <ol style="list-style-type: none"> 1. LISA 8.0.0 2. QGIS 3 3. EPANET 4. Blender 5. FreeCAD 6. OpenSees
Recommendation 3	Faculty of Department of Electronics and Communication Engineering recommended modification in course structure of M.Tech. (Electronics and Communication Engineering) and M.Tech. (Electronics and Communication Engineering) with specialisation in IOT.	Modification in course structure of M.Tech. (Electronics and Communication Engineering) and M.Tech. (Electronics and Communication Engineering) with specialisation in IOT was approved in ACM.
Recommendation 4	Faculty of Department of Computer Science & Engineering & Information Technology, recommended modification in course content of few courses as per industry requirement.	Following courses are modified after the approval of ACM <ol style="list-style-type: none"> 1. Python Programming Lab 2. Object Oriented System and Programming 3. Object Oriented System and Programming Lab 4. IT Workshop Lab
Recommendation 5	Faculties of Department of Humanities and Management proposed new elective courses for B.Tech. students	Following elective courses are approved in ACM <ol style="list-style-type: none"> 1. Service Design and Marketing 2. Leadership Through Literature and Cinema
Recommendation 6	Faculties of Department of Humanities and Management proposed new courses work for Ph.D students	"Investment Analysis" course is approved in ACM and will be offered to PhD students.
Recommendation 7	Faculties of Department of Humanities and Management	Following courses are approved in ACM for developing soft skills in students

Action Taken Report on Alumni Feedback (2021-22)

	Recommendation	Action Taken
Recommendation 1	Extra classes are required for competitive examination.	Extra classes for various competitive exams were conducted in different departments.
Recommendation 2	Library needs to add more books for students.	<ol style="list-style-type: none"> 1. LRC added more books for students as per the recommendation of faculty. 2. LRC enriched its online resources for the students which includes research papers from various reputed journals, eBooks, previous year question papers etc.
Recommendation 3	Collaboration with industry and other universities for knowledge and technology sharing	Various MOU's were signed.
Recommendation 4	More expert lectures and workshops need to be conducted.	<p>Following workshops, Expert lectures, Seminars etc. were conducted for the students</p> <ul style="list-style-type: none"> • Celebration of World IPR day • Webinar on "Role of HP Patent Information Centre in filing the Patents" • Webinar on Some IPRs in the Field of Computer Science • Online Workshop on Plant Tissue Culture Techniques by The Department of Biotechnology and Bioinformatics JUIT to Vallabh Govt. College, Mandi, HP • Workshop on Image Processing with Deep Learning • Workshop on Industrial Revolution 4.0 • One-day Webinar on Glacial Lake Outburst Flood (GLOF): An Insight • One Day Webinar on Hands-on Design of Composite Beams • One Day Webinar on Fundamentals of Highway Design • Six Day Online Workshop on "Innovative Solutions for Sustainable Constructions in Civil Engineering" • VICHARANA 3.0: Sustainable Development • Webinar Series on Advanced Testing Technologies for Geotechnical Investigation • College to Corporate Webinar 2 by Mr. Vibhor Suri

Action Taken Report on Employer Feedback (2021-22)

	Recommendation	Action Taken
Recommendation 1	Students need to focus more on AI & ML	We offer the proficiency streams in AI & ML, that include the latest courses as per the requirement of the industry.
Recommendation 2	Students need knowledge of Data Security	CSE & IT offer proficiency courses in the Information security domain.
Recommendation 3	Exposure to these languages is a must; C++, Java, Python, Cpp, JavaScript, C, PHP, C#, .net	The mentioned programming technologies are already the part of CSE & IT curriculum.
Recommendation 4	More workshops, trainings are required for the students to perform better in the industry	<p>Following workshops, Expert lectures, Seminars etc. were conducted for the students</p> <ul style="list-style-type: none"> • Expert Lecture on, “Intelligent Techniques for Autonomous Landing on Mars”, Dr. Vinod Kumar, Scientist ‘G’, Head – GCDAD, Bangalore • Expert Lecture on Machine Learning in Communication Networks Applying Neural Networks to Traffic Prediction and Control by Dr. Piotr Cholda, Institute of Telecommunications, AGH University of Science and Technology, Poland • TIEDC Event - Can’T Unsee • Webinar On Resume Building & How to Face the Interview • Webinar On, “Acing the Interview” • TIEDC Cell - BIZQUIZ • Seven Days Workshop on Primavera Software • Expert Lecture on Aspects of Time and Space in Wireless Connectivity Beyond 5G, by Dr. Peter Popovski, Professor, Head of The Section on Connectivity, Aalborg University, Denmark • Expert Lecture on AI Based Motion Control, by Prof. (Dr.) Perna Gaur, Director, Netaji Subhas Institute of Technology, East Campus, New Delhi • Women In Engineering (Wie) IEEE – JUIT Student Branch Revival Sight • Webinar On Women Equality Day • JUIT Hosts Hack-A-Care • College To Corporate - Webinar 2

Action Taken Report on Students Feedback (2021-22)

	Recommendation	Action Taken
Recommendation 1	Mock interviews need to be conducted for placement activity.	Mock interviews were conducted at department level for the students from departmental faculties.
Recommendation 2	Course curriculum of different electives need to be updated and new electives need to be included.	Respective departments updated different elective and open elective courses and add more open elective courses through BOS and got it approved by ACM.
Recommendation 3	Frequent industrial visit needs to be conducted.	Industrial visit to underground tunnel and overhead bridges near Kandaghat, Solan was conducted by civil engineering department.
Recommendation 4	Workshops, lectures need to be conducted for entrepreneurship.	TIEDC cell of JUIT conducted various lectures, workshops & technical events related to entrepreneurship and innovation.
Recommendation 5	Labs opening hours need to be increased in night for students.	Administration approved to open Computer labs, TIEDC cell and library to open late night for students.
Recommendation 6	Quality of teaching need to be improved.	Vice Chancellor counselled the faculty having feedback below 6, to put more effort in teaching.
