Subject: Spoken Tutorial Study Material

Respected all,

As you all know, JUIT Solan has subscribed to Spoken Tutorial courses from IIT Bombay. These courses will help students to improve their subject knowledge and after appearing for a test, a certificate will be issued from IIT Bombay.

As per the schedule (Attached in the mail), subject material related to all courses in the schedule will be hosted in following address:

\\172.16.73.6\Computer Science\Rajinder Sandhu\Spoken Tutorial Course Material

All interested faculty members and students can download the material from this link.

Instructions for Training in Offline Mode

1. To begin the workshop, the participants have to open **index.html** file, which is present in the extracted folder.
2. To do so, right-click on **index.html** and choose **Open with Firefox** option.
3. Select the course and language from dropdown list. Click Submit
4. Now, follow the instructions given in the **Instruction** Sheet and begin learning.
5. We recommend that participants should follow the sequence of topics given in the **index.html** file for better learning.

For any further query, please contact.

SPOKEN TUTORIAL WORKSHOPS FOR STUDENTS

ODD SEM - 2018

The Spoken Tutorial project is the initiative of the "*Talk to a Teacher*" project of the **National Mission on Education** through **ICT**, launched by **MHRD, Govt of India** and developed at **IIT BOMBAY**. This project is teaching Free & Open Source Software (FOSS) like **Linux, Scilab, PHP & MySQL, LaTeX and Python etc.** to all college students of India. The mode of training is through **workshops, held at individual college campuses, with guidance and materials provided by IIT Bombay**. These workshops are of **2 hour duration** and **JUIT is subscribed to spoken tutorial**. After the workshop, an online exam is conducted by IIT Bombay and **certificates are awarded to the students**. **These certificates can act as game-changers in the students' career!** Students can achieve an edge in their CV by getting trained in some software and gaining experience in event management.

We are pleased to inform you that **Jaypee University of Information and Technology** has now become a **nodal centre** of whole Himachal Pradesh for conducting and organizing the various spoken tutorial workshops. In this semester we have planned a number of workshops for our students from various disciplines as per following calendar. Students are required to select an appropriate date of the workshop and get them registered with the undersigned before 14th September 2018.

Hackathon

Title: Hackathon (Theme: Smart City)

Date: 11th & 12th November, 2017

Venue: Lecture Theatre 1&2, Juit, Waknaghat

Resource Organization:

ACM-JUIT student chapter, the primal active technical club of JUIT, Waknaghat.

Chief Guest:

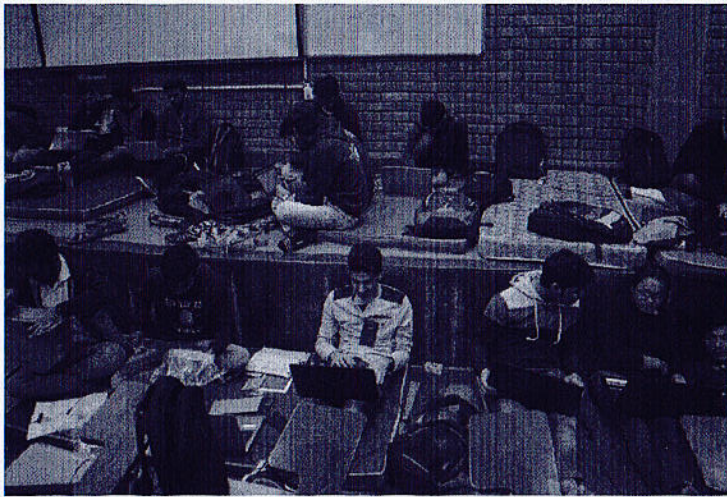

Tikender Singh Panwar, Ex-Deputy mayor of Shimla constituency. He is a social scientist by profession. Also, one of the few people who actively participated in making the tourist town of Shimla a part of 'Smart City Campaign' launched by the Government of India. He along with his team made a magnanimous contribution into installing smart street lights, taking down the accidents in Shimla by 60%.

About the event:

The theme of hackathon was 'Smart City', inspired by smart city mission of the Govt. of India. It was a 28 hours live event starting on 11th November, in the presence of Prof. S.P Ghrera (H.O.D Computer Science and IT Department, JUIT), Prof. Vinod Kumar (Vice Chancellor, JUIT), Prof. Sameer Dev Gupta (Director, JUIT), Prof. Pradeep Kumar Singh (Faculty Coordinator, ACM-JUIT). It was open for all; students from various universities came forward with their innovative ideas to participate in this event. Participants were supposed to create software/hardware applications which when implemented in real life would simplify life, solve problems and make the city smarter. On 12th evening, all the 120 students were ready with their projects and presentations, which were judged on various parameters by Ex- Deputy Mayor Mr. Tikender Singh Panwar, Faculty Coordinator Dr. Pradeep Kumar Singh and Dr. Punit Gupta.

The top 10 teams were rewarded with cash prize of ₹51,000. The top position was secured by team 'T-@rt (Technical Art)', who presented the idea of autorhated street lights. The runner up team was '2Lazy', who presented an application 'Go Easy- which tells about the real time crowd at a place'. Other ideas like pothole detector, smart dustbin, medicate were highly appreciated.

Workshop on
Engineering and Entrepreneurship: A step towards fulfilling dreams

A workshop on Engineering and Entrepreneurship was organized by Technology Innovation and Entrepreneurship Development Cell (TIEDC), JUIT on Nov 16th and Nov 17th, 2017. Aim of the workshop was to help 3rd and 4th year students in improving the entrepreneurship skills and motivate them for their future goals towards the same. The workshop was designed to impart essential knowledge of individual's personality, teams, opportunity recognition, business model canvas, and pitching.

Dr. Vinay Kumar , Assistant Professor, ECE Department, Thapar University and Dr. Anita Sharma, Assistant Professor of Entrepreneurship, Thapar University were the Keynote speakers of the workshop. The workshop was attended by more than 60 students.

29-30 January 2018

Artificial Intelligence and Entrepreneurship

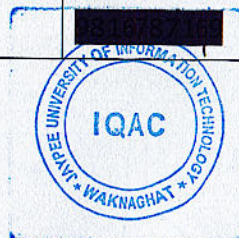

It was a two day interactive seminar taken by JUIT Alumni's "Mr. Dhruv Batra" and "Mr. Prakshal Jain", 2017 Batch passouts. The seminar is on the future of Artificial Intelligence in Industries and its demand in Entrepreneurship. The four P's of marketing with the supervised and unsupervised learning in Artificial Intelligence were also discussed. The seminar involves topics of skills, knowledge, public speaking, technical skills, etc. It includes motivational stories of "Outliers", which covers the success stories of Bill Gates, Jeff Bezos, Steve Jobs, and Bill Joy and how they pitched up the right topic at right time.

The seminar, attended by JUIT students, aware the audience about the need of entrepreneurship and role of AI in it. The brainstorming session made everyone feel confident to realize the field in which they want to pursue their career.

R & D EXPO 2018

(13th - 14th April 2018)

IEEE JUIT Student Branch in collaboration with TIED Cell of Jaypee University of Information Technology organized a technical event "R&D Expo" for aspirants with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes. This event was organized with the objective to provide platform for the students to showcase their talent with a competitive spirit. Before the commencement of main events our honorable Chief Guests Mr. Tarun Banga (Consultant: Setting up TCoE for Automation / Mobile Testing) and Mr. Alok Kumar Prasad (Associate Vice President, HCL Technologies) shared their experience and vast knowledge in the field of technology, among the aspiring students of JUIT.

IEEE JUIT Student Branch also launched its newsletter "TECHNOVISION" for the session 2017-18.

The event was successful enough to attract as many as 150 registrations for two-day event which included both Hardware and Software project exhibition as well as Poster Presentation. There were around 17, 12 and 16 Software Projects, Hardware Projects and Posters, respectively. Some of the JUIT faculties were judging the projects. As far as poster presentation event is into consideration, many innovative ideas were displayed by the students and were acknowledged and all three tracks were judged by our Chief Guests.

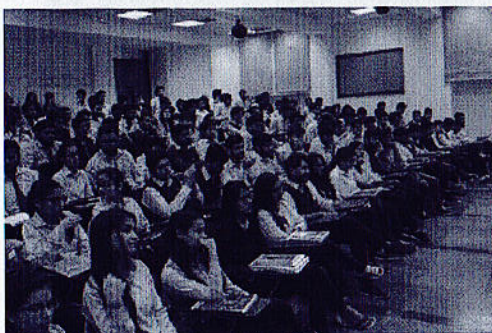

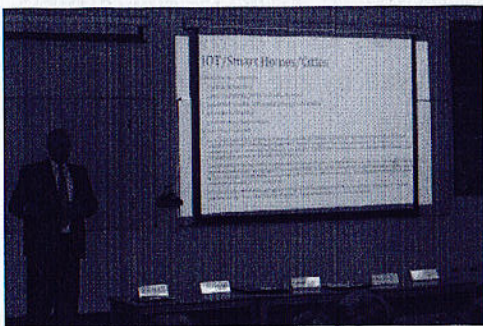

Projects that bagged prizes in R&D Expo were:

1. Software:
 - a. Lab Automation System

- b. All Safe
- c. Net Banking
- 2. Hardware:
 - a. Hello Leaf
 - b. Keyboard for Blind, based on Braille
 - c. Electromusical Arm
- 3. Poster:
 - a. Automated Water Monitoring System using IoT and Reflectometry
 - b. FOG Solution
 - c. Self Driving Car

The winners were encouraged with cash prizes, Amazon vouchers, and lots of goodies, almost for all the events. IEEE JUIT Student Branch and TIED Cell feel proud to organize such a successful event and would like to convey thanks to management for their cooperation for organizing successful event.

Aptitude Training Registration for 2019 batch

Dear Graduating Batch of 2019,

We hope your Internship is going well. Most of you will return to Campus very soon now, after gaining some corporate/management/technical experience, and **this, no doubt, will add value to your development.**

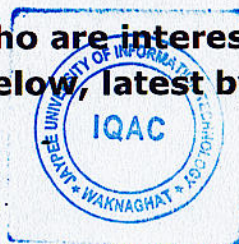

As you may be aware, the IT industry went through very difficult times last year. There was very little hiring by the volume companies/mass recruiters. A few of these companies did not hire at all. **In spite of all this turbulence, Jaypee T&P Cell went out of the way, and facilitated the 2018 Batch, and more than 120 companies recruited Jaypee students. All round, the end results were very good and satisfying. Let's hope we repeat the same this year too!!**

The IT industry continues to struggle. We will have to wait and watch. Let us hope that things do improve. We at T&P will also continue to work hard, and get you good companies. **T&P is in contact with our existing Companies, and new ones too, and by mid August, we should have some indication regarding the names of Cos planning to visit Jaypee during late August and September. Meanwhile prepare and sharpen your Aptitude skills, Soft Skills, and Coding skills. ECE students to also sharpen their skills on programming languages like Java/C/C++**

As we have been doing since the past few years, we plan to again organise **Aptitude Training (to crack the on-line test conducted by Cos... mainly volume Cos/Mass Recruiters)** by Mr Eldo from Cochin starting **from Mon 23rd July 2018** onwards at JIIT (Sec-62, and Sec-128), JUIT, JUET, and JUA in that order. Each student will undergo Classes for about 16-18 Hours in batches of about 50 students per batch depending on the number of registrations. A fee of Rs 300/- (Three hundred) per student will be charged. The fee is Non Refundable.

This Aptitude training is **100% Voluntary**. We conduct this to improve your Aptitude skills which facilitate your learning and clearing the Aptitude tests conducted by Volume recruiters, and we have recd excellent feedback from your seniors.

All those students who are interested in the Aptitude training must register in the link below, latest by Friday 20th July 2018 before 3:30 PM

Title: “One day workshop on Patent Drafting”

On 13th October 2017 the IPR Cell of Jaypee University of Information and Technology, Waknaghat in collaboration with HIMCOSTE (Himachal Pradesh Council for Science, Technology & Environment) organized its 3rd workshop at campus premises with the support of Joint member secretary Shri. Kunal Satyarthi, IFS. The workshop was on Patent Drafting, specifically focusing on upcoming problems and solutions in Intellectual Property,

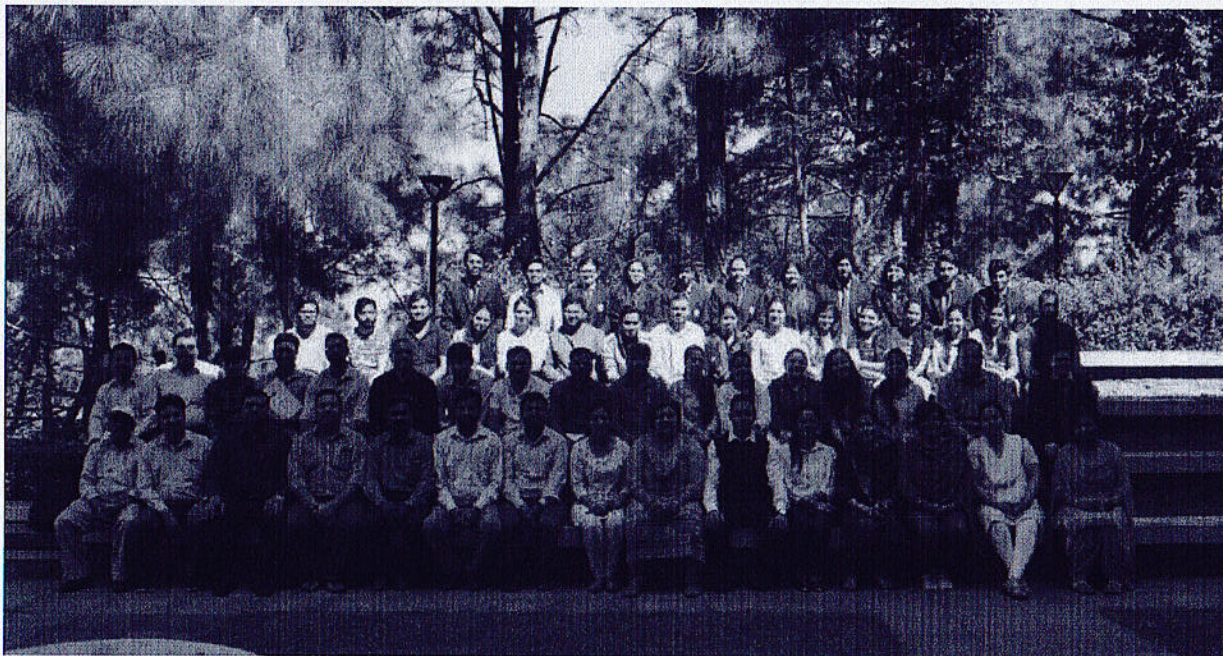

The Institute was proud to host eminent speakers in the field Dr. Indranil Saha and Ms. Ritika Kanwar. The event started off with an inaugural address by Prof. Vinod Kumar, Vice Chancellor, JUIT & Dr. Sudhir Kumar (Coordinator, IPR cell, JUIT). Dr. Indranil Saha is Patent advocate in New Delhi, a Ph.D from IISc Bangalore and LL.B (Hons. IPR) from IIT, Kharagpur. Dr. Saha initially presented his lecture on ‘Science and Patent law’.

This was followed by a lecture on ‘IPR: Problems and Solutions’ by Ms. Ritika Kanwar, also a LL.B, Hons. IPR from IIT, Kharagpur and currently working as a Patent scientist at HPPIC, Shimla. Notably, Ms. Ritika Kanwar has been a student of JUIT and was “glad to be back” (at campus). Dr.Saha then enlightened the crowd on ‘Basic concepts of Patent Drafting’, an integral part of Intellectual Property Rights.

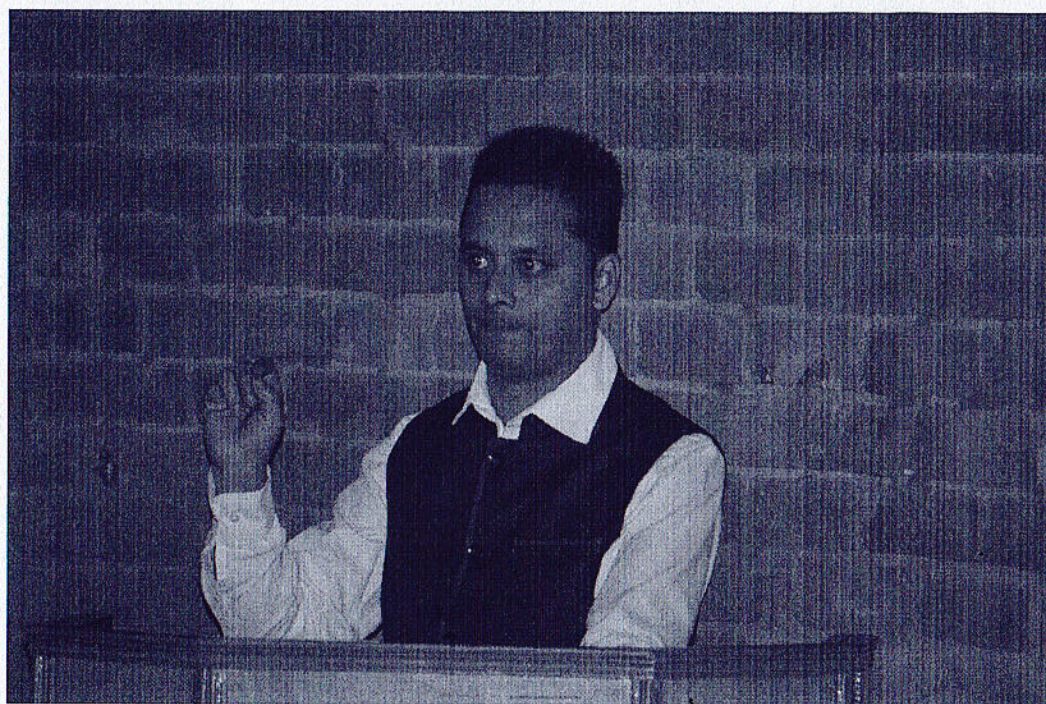

More than Eighty participants including post graduates, research scholars and faculty of JUIT participated in the workshop. The workshop was followed by a Logo Designing competition for the IPR cell of JUIT. Mr Sachin Sharma (M.Tech student) was the winner of the competition and was awarded with a cash prize of Rs 2000. The event ended with the

Valedictory function where our guests were felicitated by Prof Samir Dev Gupta, Director and Academic Head at JUIT and participants were awarded with certificates.

Subject: Fw: Invitation for Closing ceremony of event "Techstar Startup Weekend powered by google For Entrepreneurs", 6:30 PM, 16 Sept., 2018 at LT2

Dear All,

Greetings of the day!

We are pleased to invite you to the **Techstars Startup Weekend Solan powered by Google for Entrepreneurs** being organized at **Jaypee University of Information Technology from 14th – 16th September 2018 in collaboration with HP Centre for Entrepreneurship Department (HPCED).**

Techstars Startup Weekend has held **5,000+ events in 150+ countries** around the world, and they are looking forward to making a big dent in the Himachal Pradesh Startup community. The Startup Weekend is a **54-hour event**, where attendees **pitch ideas**, **form teams** and **start companies**. These events are very community focused and provide a place for budding entrepreneurs to find co-founders, mentors and momentum for their ideas. Our goal is to create an environment where passionate people can come together to get things done; to learn, network, bridge the gap between trades, expose potential and see actual results.

I on the behalf TIEDC cordially invite you for the closing ceremony of the event on 16th September 2018 at 6:30 PM at LT2.

Workshop brochure has been attached for your kind information.
Looking forward for your graceful presence.

With Best Regards

Webinar Session by Alumni Mr. Kshitiz Gupta

28 January 2019

A webinar was held on 28 January 2019, at TIED cell to provide the students with an opportunity to get a head start in the field of entrepreneurship and marketing, the webinar began with an introduction of Mr. Kshitiz Gupta (associate brand marketing nearbuy.com and alumni JUIT) who was the spokesperson. He shared the experiences of his college life, about how his growth was during college time. He asked many questions from the students related to technology and one of them was, "Which was the most frequently used communication app in India?" Almost all attendees shouted WhatsApp, which was wrong, as he told that 50 to 60 % of India used share chat, which is now one of the most frequently used apps. There are many things a student could do during his college life and three of the most important things he mentioned were, that one must listen to TED talks in order to derive inspiration and ideas from it. Second, was that one must create his own professional network through LinkedIn and prepare a good CV for future aspects. And finally, the third one was that all the students must do an internship to know more about the real-time scenario of companies and to be versed about the Trends that are in demand. Lastly, the session ended on a cheerful note when everyone thanked Mr. Kshitiz Gupta for joining and imparting his great knowledge.

Report R&D Expo 2019(19-20) April, 2019

R&D Expo 2019 was a two-day event being hosted by IEEE JUIT Student Branch in collaboration with TIED Cell, JUIT. Our Main events. Two main events in R&D Expo 2019 were Hackathon and Ideathon. Hackathon was a design sprint-like event in which computer programmers and others were involved in software development, including graphic designers, interface designers, and project managing. Ideathon was the event concentrating on pitching of an idea on the open stage that marked a significant change in the trend. Participants presented their ideas using posters designed by them. To give students inspiration, vision and motivation to achieve more and be successful, there were expert talks by Mrs. Preeti Singh, Head of Operations, Beverages, Ex- Regional Director of south Asia (YPO), Ex- Vice President of Elixir solutions; and Mr. Aaquib Hussain, Chief Director and Director at I&We_WoC Minds, National Academic partner-Startup India Yatra, TEDx speaker.

The poster features a central graphic of a lightbulb composed of various icons representing technology and innovation. At the top, there are logos for IEEE Women in Engineering (We), R&D expo, TIED CELL, and IEEE JUIT STUDENT BRANCH. The main title 'HACKATHON' is prominently displayed in the center. Below the lightbulb, two columns of text list the tracks and team size. The left column lists tracks like Machine learning, Artificial intelligence & blockchain, and Internet of things, with a time of 18 hours. The right column lists tracks like FinTech, Health Tech, Future Mobility, AR/VR, and Algorithm, with a team size of 2-4. A prize worth of Rs. 50,000 is highlighted with a trophy icon. The event dates are April 19-20, 2019, and the registration fee is Rs. 400 per team. Contact information for three organizers is provided at the bottom.
