ALUMNI TALK BY MR. SANDEEP RAJAORIYA

October 23, 2021

JUIT Alumni Cell (JAC) organized a talk by Mr. Sandeep Rajoriya, an alumnus of the 2015 batch who recently cleared UPSC with AIR - 290 in UPSC CSE 2020 and was felicitated by the Chief Minister and the Education Minister of Madhya Pradesh for his achievement. The event took place virtually on 23 October 2021, at 11 a.m. on the Google Meet platform.

He explained how University became a turning point in his life. He taught about clarity of thoughts and how one has to be alive and clear about their thoughts. He explained how a multidimensional attitude towards your goals is important and being an engineer, one should have technical skills and incorporate social skills.

He faced many failures during his preparations and told the students about the importance of luck which plays after their hard work. He then gave tips to students on how they can overcome these failures and encouraged them to push their boundaries to achieve the best. The event was made even more fun and interesting when the audience was interacting with Mr. Sandeep. He answered all the queries with full enthusiasm. In the end, he thanked the faculty members and the JAC Team for inviting him to address the students and share his journey. Dr. Saurabh Bansal also thanked the organizing team for their efforts.

Alumni Cell webinar

A TALK BY MR. ANUJ SHARMA

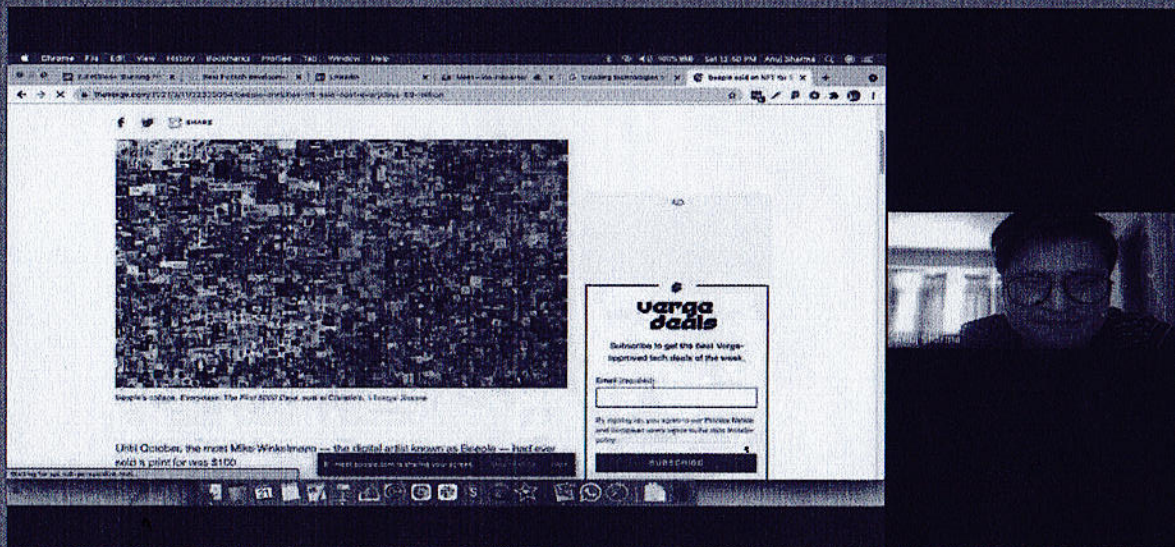

August 21, 2021

The JUIT Alumni Cell organized a webinar by Mr. Anuj Sharma, an alumnus of the 2015 batch, on the topic "Technologies that Industry is drooling over post COVID". Mr. Anuj Sharma, Founder of the Himalayan Company is a TEDx speaker who offers his expertise in his field. Award winning entrepreneur Mr. Anuj Sharma's 'Local Guide' has proven to be a valuable travel resource for many tourists. The event took place virtually on 21st August 2021 at 12 noon on the Google Meet platform with over 70+ participants.

He highlighted the possibilities of Web technology, which is utilized by many individuals not just for learning purposes, but also by about 20% of people to display their ability and expression via their creations. He also provided an overview of Artificial Intelligence, which is widely used by all machinery when making a judgment on its own. He stated that blockchain has caused a paradigmatic change in the market since it is the foundation on which the popular cryptocurrency is based, but it is also being used to develop smart contracts, and many major economic transactions are securely completed

with the help of blockchain. He explains how FinTech has brought about change since many individuals are interested in the equity markets. He also addressed that NFT (Non-Fungible Technology) has created a future market. The webinar was then followed up by an interactive session with the students regarding marketing strategies, company development, time management, monetary management, capital building, and how to reach out to people after starting a business or firm. The webinar ended with a few kind words by Dr. Saurabh Bansal, Faculty In Charge JUIT Alumni Cell, followed by a vote of thanks to the speaker on behalf of the JUIT Alumni Cell.

Prospects of Higher Studies in Civil Engineering

The Department of Civil Engineering, Jaypee University of Information Technology organized an online interactive session on *Prospects of Higher Studies in Civil Engineering*. The talk was delivered by Dr. Arpit Goyal on 23 October 2021. Dr. Goyal is a distinguished alumnus of the Department of Civil Engineering, JUIT from Class of 2014. Before joining CSIR – CBRI Roorkee as a Quick Hire Scientist, he has worked with AIMIL. He completed his doctoral and post-doctoral research from Coventry University, England. He is currently working as Assistant Professor in Thapar Institute, Patiala.

The event was inaugurated by Prof. Dr. Ashish Kumar, Head of Department, Civil Engineering, JUIT Wakhnaghat. He welcomed all the participants and emphasized on the importance of a strong alumni network. He motivated the students to stay connected with the University and help the upcoming students with the challenges that they face in their lives.

The event was coordinated by Mr. Rohan Singhal, Assistant Professors, Department of Civil Engineering, JUIT Wakhnaghat. Dr. Goyal discussed about various career prospects that one can adopt after a degree in Civil Engineering. The options broadly included GATE, Engineering Services, Civil Services, Masters', Research and Development, Jobs in Corporate Sector, Jobs in PSUs, Higher studies in Foreign Universities, BARC, L&T Build India Scholarship, and MBA. An overwhelming response was received from the final year and pre-final year students with more than 100 registrations for the event. All the attendees took active part in discussions. The event was well appreciated by the participants as highlighted by the positive feedback.

Lecture on Construction Methodology in Highway Projects

Date of Event: May 27, 2022

Organizers: Civil Engineering Department, JUIT, and National Highway Authority of India

The Department of Civil Engineering, Jaypee University of Information Technology, along with National Highway Authority of India, organized an interactive session with Civil Engineering students. The interactive session titled, "*Construction Methodology in Highway Projects*," was delivered by Mr. Abdul Basit on 27th May 2022 at Jaypee University.

Mr. Abdul Basit is currently working as Regional Officer of NHAI (HP). Prior to joining his current position, Mr. Basit served as the General Manager at NHAI's Uttar Pradesh Regional Office in Lucknow. Mr. Basit also worked as International Projects Engineer at the Canadian MNC, SNC-Lavalin.

The event was inaugurated by Prof. Dr. Ashish Kumar, Head of Department, Civil Engineering, JUIT, Wagnaghat. He welcomed all the participants and emphasized on the importance of having interaction with Industry experts. He motivated the students to stay connected with the industry experts to tackle the challenges they face in their corporate lives. The VC, JUIT Wagnaghat also addressed the students and motivated them for their prosperous future.

Sh. Basit, lecture emphasised on the construction techniques and use of innovated ways to deal with problems faced at the sites. He stressed about need of good civil engineers in the country. He emphasized that Civil Engineering students need to focus more on basics and rely on their common sense to progress in the career. He also noted that industry usually finds it difficult to recruit and retain good Civil Engineers. He, thus, motivated the students to focus on studies and build a strong foundation.

An overwhelming response was received from the students currently in B.Tech. third and final year as well as M.Tech. students. The interactive session was also attended by various engineers and officials from NHAI and Airef Engineers. Faculty members of Civil Engineering Department also attended the session. All the attendees took active part in discussions.
