Dear Dr. Shruti Jain,

I am writing this with regard to your research paper titled "**Comparative Analysis of Various Image Fusion Techniques for Brain Magnetic Resonance Images.**"

I read your research online and found it praiseworthy. It indeed is a significant work for fellow researchers and scientists working in this domain. I have also shared the findings and conclusion of your research paper with my colleagues.

Pursuing your research, I found that it matches the scope of our research journal, and I would like to welcome you to associate with us. Our editorial board, along with management, and I have agreed to recognize you as honorary **Rosalind Member of London Journals Press**. Your Membership ID#WK14138 is valid for this quarter of the year.

As you might already know, London Journals Press (UK) is an internationally acclaimed publication organisation and an accreditation authority for research standards. We follow COPE and Research Councils United Kingdom standards and are in association with researchers in all the leading disciplines like computer science, engineering, science, management, medical science, social science, and humanities.

Additionally, I would like to encourage you to publish your next research paper in our international, peer-reviewed, refereed journal. You are requested to confirm your review slot before the 15th of the upcoming month for the next issue.

We follow a comprehensive and extensive peer review process, which is a time-consuming procedure. Following the convention, your paper will be reviewed on a priority basis since you belong to the Council of Rosalind Members.

Also, you can read more about London Journals Press, our core ethics, and values on the website, journalspress.com

I look forward to hearing from you soon and a successful academic relationship in the future.

Regards,

Dr. R. G. Patterson

Dear Dr.,

Thank you for acknowledging my last email.

I have read your research work and would like to invite you to the London Journals Press. Rosalind Membership is derived from Author Membership with more benefits and privileges. As a part of this honorary invitation, the membership fee is fully waived off for you. As a part of this, you'll be getting early invitations to all our conferences, seminars, symposiums, and webinars worldwide. You'll be receiving premium tools from our partners and us that'll help you in your next research. Publication fees for your first two research papers are also discounted for you by 30%. An individual DOI will be facilitated to your subsequent research papers/articles published with us.

Membership fees have been waived off for you already. Your researches will be getting early nominations for the London Journals Press Yearly Awards as well. We'll also assist you to connect with fellow researchers associated with us and are working in the same domain and looking for collaborations on our platform.

If you need any assistance or have any queries, feel free to reach out to our support team at support@journalspress.com or visit our website and use live chat support.

Kindly acknowledge so that we can proceed with your onboarding credentials.
