Subject: Editorial Board Invitation

Dear Dr Garlapati,

It is with great pleasure that I invite you to join the Editorial Board of Biocatalysis as Review Editor for Frontiers in Catalysis based on your expertise as well as your excellent publication record.

As a Review Editor you would be a member of the Editorial Board and act as a regular reviewer for the journal of Frontiers in Catalysis. You would be responsible for assessing the rigour and validity of the research, and work collaboratively with authors and editors to improve the manuscripts, ensuring only high-quality content is published.

Frontiers acknowledges the significant contribution of our Review Editors by publishing their names on the articles they endorse.
