- Thereafter, the student should tick the windows in following sequence:
 - HSS courses as per the priority i, ii & iii.... (you shall automatically be allotted one course with highest priority in case of any course being dropped).
 - All other electives in order of priority. If you do not select the priority for all the listed elective course the system shall not allow you to save and will be treated as unregistered. In case the student exceeds the credit limit due to core courses or backlog courses the system will not allow full complement of elective courses and shall restrict the allotment upto the maximum permissible credits.
 - Once the subjects are properly ticked the student shall have 2 options:
 - Click the save draft
 - Click the Freeze.
