Reg: Request for Testing of Construction Material at JP University Lab

Dear Sir,

With reference to the subject cited work it is to inform you that for the testing of our project construction material a third party testing lab is required. In this regard we have visited your lab and found most suitable for testing of our construction material to be used at our Project Site. So, we are here by submitting list of tests to be carried out at your laboratory

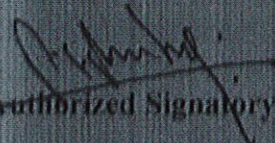

So, you are requested to give us permission to conduct all these tests at your Esteemed Laboratory

Submitted for your approval please.

Thanking and assuring you best of service as we remains.

Yours Faithfully,

For Shiv Valley Highways Private Ltd.

Dear Mr. Ashish

As per our telephonic conversation and further as discussed in the meeting with you.

We are sending you the tests required to be done at our JW Marriott Hotel Project site for Approach Road.

1. CBR Value for sub base.
2. Rebound hammer test for the strength of concrete used in Culvert.

Kindly provide us the quotation for the same, along with the payment terms and the time taken for the report.

Also provide us the affiliation or any certification if you have for the testing purposes.

Thanks and Regards
Manish Nanda
