CBSE/DIRECTOR(ACAD)/2019

25th August, 2019

Dr. Rakesh Bajaj
Associate Professor
Jaypee University of Information Technology, Solan

Dear Dr. Bajaj,

Subject: Nomination as member in the panel of experts for Development of Science and Mathematics Competency based test items.

The Central Board of Secondary Education has been pioneering qualitative reforms in school education since the last 90 years. One such initiative has been strengthening assessment and evaluation practices of the Board where an increased focus is now on assessing competencies. The Board has, thus, initiated an academic programme with the support of Vigyan Prasar, for the development of question bank for schools comprising competency based questions with a focus on assessment of problem solving, creative and critical thinking etc. It is hoped that incorporation of such tasks in assessment would provide impetus to experiential learning.

As an expert, you are known for your extensive work in the field of STEM education and Creative Learning. Hence, we are pleased to nominate you as a member of the panel of experts created for this programme. As a part of this programme, the expert group would design, *develop and vet test Units for Science and Mathematics at two levels*, namely, for students of classes 6 to 8 and classes 9 to 10. Each of these units would be situation based and comprise 5 to 6 test items. The question bank would have approximately 300 Units for each level for Science and Mathematics respectively. This project would spread across a period of 1 year (August 2019- July 2020), wherein you would be requested to periodically come to Delhi or other venues across the country for review meetings with other members of the committee or members of Vigyan Prasar and the officers of the Board.

The first meeting for this is scheduled on 27th August 2019 from 10:30 am onwards at CBSE, Conference Hall, Shiksha Sadan, 17, Rouse Avenue, New Delhi-110002.

We thank you for your support for this initiative and also look forward to many fruitful working sessions.

With Regards,

(Dr. Joseph Emmanuel)
