Dear Graduating Batch of 2020,

We hope your Internship is going well. Most of you will return to Campus very soon, after gaining some corporate/management/technical experience and knowledge, and **this, no doubt, will add value to your development.**

Placement season is knocking at your doors!!!! Hope all of you are ready to face tough challenges. It will not be easy. Remember, Companies are looking for talent. So tighten your belts!!

T&P is in contact with our existing Companies, and new ones too, and by mid August, we should have some indication regarding the names of Cos planning to visit Jaypee during August and September. We hope to get some good Cos for you on campus.

Meanwhile, prepare and sharpen your Aptitude skills, Soft Skills, and Coding skills. ECE students to also sharpen their skills on programming languages like Java/C/C++. Please ensure that your fundamentals are strong.

As we have been doing since the past few years, we plan to again organise **Aptitude Training (to crack the on-line test conducted by Cos... mainly volume Cos/Mass Recruiters)** by Mr Eldo starting from **Mon 22rd July 2019** onwards at JIIT (Sec-62, and Sec-128), JUIT, JUET, and JUA. Each student will undergo Classes for about 16-17 Hours in JUIT & batches of about 50 students per batch depending on the number of registrations . A fee of Rs 300/- (Rupees Three hundred) per student will be charged.

This Aptitude training is 100% Voluntary. However, we encourage you to participate. It will benefit you.

We conduct this training session to improve your Aptitude skills which facilitate your learning and clearing the Aptitude tests conducted by Volume recruiters, and we have recd positive feedback from your seniors.

So students those are interested for this can register on below mentioned link by 12th July 2019 (04:00 PM). We will tell you when to submit your 300/-.

Dear students
Kind Attention

Below are the students who have attempted a few tests on Reference Globe portal conducted by TnP Cell. And you can see the performance of other students as well. These results are not very encouraging. If you are not able to clear the very first round of your interview process. Then how you will be able to get the dream placement. So you all have to study hard & take participation in much online test.

TnP Cell have also share 4 programming test no one attempted the programming test. Which is again a big concern. So it is a wake up call for all of you that study hard & prepare well for your upcoming placements.

List of students who have attempted the tests.
