## **Completion report**

Jaypee University of Information Technology, Wakanaghat had been designated as one of the remote center to conduct the Short Term Course on (STC) on "**Artificial Neural Network and Fuzzy Logic through ICT**" from **23.07.2018** to **27.07.2018** in association with NITTTR, Chandigarh.

The STC was locally coordinated by Dr. Hemraj Saini, Department of Computer Science and Engineering and at the National level the STC was supervised by the Overall Course Coordinator – Dr. Maitreyee Dutta, Professor & Head, Department of Computer Science and Engineering, NITTTR, Chandigarh.

In the STC total fifteen (14) Sessions were delivered from NITTTR Chandigarh in ICT mode. Following Faculty/Experts were involved to deliver the presentations or practical exposures of the related topics to the theme-

**MD- Dr. Maitreyee Dutta, Professor & Head, Department of CSE, NITTTR, Chandigarh**

**SA- Dr. Sunil Aggarwal, Professor, ECE Department, UIET Chandigarh**

**HKS- Dr. H.K Sardana, Chief Scientist, CSIO, Chandigarh**

**SSS- Dr. Satvir Singh Sidhu, Associate Professor, IKGPTU Campus**

**GK- Dr. Gaurav Kumar, Director, Magma Research and Consultancy Services**

**LM.- Dr. Lini Methew, Associate Professor & Head, NITTTR, Chandigarh**

At our remote center 46 registrations were sought and out of that 22 participants were regular and successfully completed the STC.

**Subject:** Fw: Invitation for Closing ceremony of event "Techstar Startup Weekend powered by google For Entrepreneurs", 6:30 PM, 16 Sept., 2018 at LT2

Dear All,

Greetings of the day!

We are pleased to invite you to the **Techstars Startup Weekend Solan powered by Google for Entrepreneurs** being organized at **Jaypee University of Information Technology from 14<sup>th</sup> – 16<sup>th</sup> September 2018 in collaboration with HP Centre for Entrepreneurship Department (HPCED).**

Techstars Startup Weekend has held **5,000+ events in 150+ countries** around the world, and they are looking forward to making a big dent in the Himachal Pradesh Startup community. The Startup Weekend is a **54-hour event**, where attendees **pitch ideas**, **form teams** and **start companies**. These events are very community focused and provide a place for budding entrepreneurs to find co-founders, mentors and momentum for their ideas. Our goal is to create an environment where passionate people can come together to get things done; to learn, network, bridge the gap between trades, expose potential and see actual results.

I on the behalf TIEDC cordially invite you for the closing ceremony of the event on 16<sup>th</sup> September 2018 at 6:30 PM at LT2.

Workshop brochure has been attached for your kind information.  
Looking forward for your graceful presence.

With Best Regards

## Webinar Session by Alumni Mr. Kshitiz Gupta

28 January 2019

A webinar was held on 28 January 2019, at TIED cell to provide the students with an opportunity to get a head start in the field of entrepreneurship and marketing, the webinar began with an introduction of Mr. Kshitiz Gupta (associate brand marketing nearbuy.com and alumni JUIT) who was the spokesperson. He shared the experiences of his college life, about how his growth was during college time. He asked many questions from the students related to technology and one of them was, "Which was the most frequently used communication app in India?" Almost all attendees shouted WhatsApp, which was wrong, as he told that 50 to 60 % of India used share chat, which is now one of the most frequently used apps. There are many things a student could do during his college life and three of the most important things he mentioned were, that one must listen to TED talks in order to derive inspiration and ideas from it. Second, was that one must create his own professional network through LinkedIn and prepare a good CV for future aspects. And finally, the third one was that all the students must do an internship to know more about the real-time scenario of companies and to be versed about the Trends that are in demand. Lastly, the session ended on a cheerful note when everyone thanked Mr. Kshitiz Gupta for joining and imparting his great knowledge.

## Report R&D Expo 2019(19-20) April, 2019

R&D Expo 2019 was a two-day event being hosted by IEEE JUIT Student Branch in collaboration with TIED Cell, JUIT. Our Main events. Two main events in R&D Expo 2019 were Hackathon and Ideathon. Hackathon was a design sprint-like event in which computer programmers and others were involved in software development, including graphic designers, interface designers, and project managing. Ideathon was the event concentrating on pitching of an idea on the open stage that marked a significant change in the trend. Participants presented their ideas using posters designed by them. To give students inspiration, vision and motivation to achieve more and be successful, there were expert talks by Mrs. Preeti Singh, Head of Operations, Beverages, Ex- Regional Director of south Asia (YPO), Ex- Vice President of Elixir solutions; and Mr. Aaquib Hussain, Chief Director and Director at I&We\_WoC Minds, National Academic partner-Startup India Yatra, TEDx speaker.

The poster features a central graphic of a lightbulb composed of various icons representing technology and innovation. At the top, there are logos for IEEE JUIT Student Branch, IEEE Women in Engineering (We), R&D expo, TIED CELL, and IEEE JUIT Student Branch. The main title 'HACKATHON' is prominently displayed in the center. Below the lightbulb, the tracks for the event are listed on both sides. The left side lists tracks like Machine learning, Artificial intelligence & blockchain, and Internet of things, with a time of 18 hours. The right side lists tracks like FinTech, Health Tech, Future Mobility, AR/VR, and Algorithm, with a team size of 2-4. The prize worth is listed as RS. 50,000. The event dates are April 19-20, 2019, and the registration fee is Rs. 400 per team. The website for registration is provided as <https://ieeejuit.co.in/RnDexpo>. At the bottom, the names and contact numbers of the organizers are listed: MAYANK (9805104370), SANCHIT (9805055335), and NISHCHAL (9805085048).
