Dear students  
Kind Attention

Below are the students who have attempted a few tests on Reference Globe portal conducted by TnP Cell. And you can see the performance of other students as well. These results are not very encouraging. If you are not able to clear the very first round of your interview process. Then how you will be able to get the dream placement. So you all have to study hard & take participation in much online test.

TnP Cell have also share 4 programming test no one attempted the programming test. Which is again a big concern. So it is a wake up call for all of you that study hard & prepare well for your upcoming placements.
