Dear Graduating Batch of 2021,

Hope you are keeping safe and staying healthy.

We have been doing pre-placement training for all final year students from the last many years. And this year we are planning to again organize **Online Aptitude Training by Mr. Eldo Ranjeet for your batch.**

The Aptitude Training program aims to help the students to clear the selection tests of various mass recruiters such as Infosys, Cognizant, Wipro, etc. The topics that are covered are Quantitative Ability, Logical Reasoning & Verbal Ability.

Due to COVID 19, it will be conducted virtually using the platform of Google Meet.

Each student will undergo Classes for about 18 Hours in batches of about 50 students per batch depending on the number of registrations.

We will share the schedule of the training programme later.

A fee of Rs 300/- (Rupees Three hundred) per student will be charged. And after registering we will tell you when to submit your fee.

The fee is Non-Refundable.

This Aptitude training is 100% Voluntary. However, we encourage you to participate. It will help you in placements.

Kindly register before 19th July 2020
