

**Application No. JI221353**

**Date: 7th June 2022**

Dear Shashank Jaiswal,

Congratulations!

On behalf of Jio Institute, it is our pleasure to offer you admission (provisional) to Jio Institute's class of 2023.

You were identified as one of the most promising students in Jio Institute's competitive applicant pool for the first and founding batch. Your thoughtful application showcased your academic excellence, professional accomplishments and your zeal towards pursuing the Post Graduate Programme at Jio institute.

You will be part of a community that fosters a culture of academic excellence, business relevance, research, innovation, holistic learning, solution driven mind-set, global outlook, lifelong learning, and social significance. We are confident that you will thrive in Jio institute's academic environment as well as contribute to the vibrant and diverse community.

We are excited to welcome you to Jio Institute and look forward to the extraordinary and unique contribution you will bring to the first and founding class of 2023.

Upon successful completion of this programme, you will receive a Post Graduate Certificate in Digital Media & Marketing Communications.

The deadline to accept the offer of admissions is 15th June, 2022. Please fill the enclosed reply form and complete the process as per the instructions mentioned in this letter.

We would also like to inform you that the academic session begins at Jio Institute, Ulwe Campus, Navi Mumbai, Maharashtra from 14th July, 2022. You may start making necessary arrangements so that you can arrive to campus by 9.00 am on 14th July, 2022.

Once again, we extend our heartiest congratulations on being accepted into the programme and look forward to receive you on campus.

Regards,  
Admissions Office
