Dear Sheel,   February 18, 2022

We are very pleased to inform you that you have been accepted into St. Francis Xavier University's Master of Applied Computer Science program beginning September 2022.

The Master of Applied Computer Science will prepare students for dynamic careers in the high-demand computing and software industry. We are confident that you have the skills and experience that will allow you to be successful in this program. You will love living and learning at StFX, an institution steeped in tradition while still on the leading edge of scholarship and research. Professors, students and staff come together to make StFX one of the most engaging and supportive universities in Canada. You can experience the unique spirit and community of StFX by exploring the campus through our virtual tour www.stfx.ca/tour.

To accept your offer of admission and confirm your intention to attend StFX, please return the enclosed confirmation of attendance form and confirmation fee of $500 CAD to admit@stfx.ca. We are guaranteeing your seat in the Master of Applied Computer Science program until March 15, 2022. After this date your acceptance to StFX is no longer guaranteed. This fee will be credited to your account as part of your tuition payment. Enrollment in this program is limited so you are urged to reply promptly.

I look forward to meeting you and personally welcoming you to StFX.

Sincerely,

Richard Isnor, D. Phil.
Associate Vice-President, Research and Graduate Studies
