Hostel fees and boarding fees are optional but note that without the advance payment of these fees you will not be guaranteed hostel accommodation or boarding during the semester. You will then be responsible for boarding and accommodation on your own. The payment of tuition fee and other fees for the first year must be paid on or before September 21, 2020. However, as mentioned, the mess and hostel fee need only be paid when you join the campus.

The semester will start as online classes in September 2020. Physical presence in the campus will be only after government provides approval for opening the campus for conducting classes. When you arrive at the campus, you are required to bring with you all your original certificates and the transfer certificate from your previous institution.

Final confirmation of this admission is contingent on your successful completion of your bachelor's degree as documented by the degree certificate and completion certificate. Please ensure that these documents are submitted at the earliest.

You must immediately send an acceptance letter to indicate that you will be joining.

My sincere congratulations to you on this admission selection at this number one private university in India to this very prestigious one of a kind degree program available only at Amrita.

We look forward to serving your academic needs and to benefiting from your valued academic contributions next semester.

Sincerely,

Dr. Shantikumar V. Nair
Director- Centre for Nanosciences and Molecular Medicine
Dean of Research- Amrita Vishwa Vidyapeetham
