ENTREPRENEURSHIP WORKSHOP 2020

November 21 – 22, 2020

The Technology Incubation Entrepreneurship and Development Cell at Jaypee University of Information Technology, Solan organized an Entrepreneurship Workshop on the weekend of 21st and 22nd November, 2020.

A two day event, with 80 participants, the workshop was a way to introduce college students to the various aspects of the startup world. Participating students were briefed about topics like Business Development, Marketing, Finances and Design Thinking

through presentations and sessions hosted by the members of the E Cell. At the end of the first day, following the sessions, an event was organized wherein participants were teamed up with one another. The teams were then asked to come up with an idea which they felt could eventually lead to a startup. Along with pitching their ideas, teams had to build their own Business Model Canvas - a representation of

various parts of a startup, from the Partners, Resources, Marketing and Revenue Streams The

second day started early at 11 am with a brief session for the participants on how to pitch any idea and make presentations for the same. The pitches commenced at 3:30PM wherein each team presented their idea and the related **Business Model** to the panel. Each pitch lasted 10 minutes including questions put up to the teams regarding their startup idea by the panel

The top two teams whose ideas and presentations stood out were -

1. Siddharth Kuthiala, Khushi Chabra, Archit Kaushal, Shikhar Khandelwal
2. Ishan Sharma, Paras Sharma, Aarhan Ali Khan, Puneet Katoch

The event ended with positive feedback from the attendees on the entire two day learning experience.
