

## **MASTERCHEF-2019**

Cooking is one of the strongest ceremonies for life. When recipes are put together, the kitchen is a chemical laboratory involving air, fire, water and the earth.

On 14th September 2019, Health and Environment Club of Jaypee University of Information Technology organized the Master-Chef Competition to showcase the cooking skills of the college students at "Basket Ball Ground". The event was graced by Registrar Major General Rakesh Bassi, Director and Academic Head Prof. Dr. Samir Dev Gupta and Prof. Dr. M.J.Nigam, JYC Faculty Incharge Dr. Amit Srivastava. The Judging panel consisted of Mrs. Vibha Bassi, Mrs. Kumkum Nigam and Mrs. Sarika Srivastava. Dr. Anupriya Kaur, HoD HSS was the Coordinating Chairman of the event.

There were total 13 teams, consisting 2-4 members, participated in the event. The theme of the event was "Indian and Continental". The competition was restricted for 75 minutes of cooking time. Basic amenities like gas stoves, cylinder, and all the ingredients (including vegetables) were provided to students in advance, by JUIT, therefore the participants need not to bring anything from their own.

Students participated with full enthusiasm and high zeal and came up with exotic and delicious dishes. The dishes were a visual treat presented in an artistic and aesthetic style. The ambience was very exuberant accompanied by our budding singers.

And in the end the prizes were distributed: the first prize was bagged by a group of four- Silky Agarwal, Ananya Sood, Nadirun Nisha and Arthja Shukla. The first runner ups were Pranjal, Vineet, Shruti and Deepti, and the second runner ups were Teammates Tripti, Priyansha, Anjali and Sulbha.

'MasterChef 2019' not only provided a platform for the students to foster their creativity and culinary skills but also allowed them to interact with teachers outside academic setup.
