Talk On

“Innovation & Entrepreneurship”

An outreach activity was conducted at Gurukul International Senior Secondary School Solan HP on 31 July 2024. The main aim of the outreach was:

- To sensitize the students about innovation and startups activities
- To foster innovation and entrepreneurial spirit at the school level.
- And to familiarize the students with different Govt schemes and incentives related to startups.

There were around 90 students from class 11 to 12 who participated in the session. The session was conducted by Prof. Ashish Kumar – Head, Civil Engineering Department, Jaypee University of Information Technology, Wagnaghat, Solan who is presently also heading the incubation centre of the Jaypee University of Information Technology. The students were familiarized about the startups opportunities, about the different initiatives take by state government and central Governments and also what are various steps needed for the startups. They were also told, how they can enroll in the startup scheme. The students of the school were very enthusiastic after hearing the opportunities in the startups. At the conclusion of the session, the GIS school management expressed their gratitude for the engaging and
