UNNAT BHARAT ABHIYAN
JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY
(Established by H.P. State Legislature vide Act No. 14 of 2002)

On **September 27, 2024**, a **Career Guidance & E-Resource Management** event was held at **Govt. Senior Secondary School, Domehar**, organized by members of the **Unnat Bharat Abhiyan (UBA)** from **Jaypee University of Information Technology (JUIT), Waknaghat,** under the supervision of the college placement officer, **Mr. Pankaj Kumar**. The event aimed to promote career awareness and provide insights into future career options, including paths in the Army, Law, Civil Services, and the teaching profession. It sought to assist students in making informed decisions about their futures by discussing different career paths and the skills necessary to pursue them.

A significant aspect of the event was the introduction of **e-resources**, such as **AI-powered tools** and platforms like **Harghar Pathshala** and **NDLI**, which were presented to students as innovative methods to enhance their learning experience.

The event was highly interactive, with students actively engaging by asking, responding to, and participating in discussions about their career aspirations. To recognize their enthusiasm, students gifted **stationery items**, including new notebooks, pens, pencils, and other essential supplies, to further encourage their academic endeavors.

The positive feedback from students and teachers and their active participation highlighted the initiative's success and underscored JUIT's commitment to fostering awareness and providing guidance within local communities.
