Report on the Parent-Tutor Meeting - Koshish Club

Date: 24th August 2024
Venue: Near Football Ground

Introduction

On 24th August 2024, the Koshish Club held a Parent-Teacher Meeting to engage with the parents of the underprivileged students in our club. We would like to express our heartfelt gratitude to our faculty coordinators, **Prof. Dr. Hemant Sood** and **Asst. Prof. Prateek Thakral**, for their support and guidance in allowing us to conduct this important meeting. The goal was to discuss the students' progress, understand challenges, and gather feedback to improve our educational support.

Meeting Overview

The meeting began with a welcome and introduction to the club's mission. We emphasised the importance of the extra educational support provided by the Koshish Club and how it complements regular school education.

Key Insights

Several important points were raised by parents:

- **Homework Pressure:** Many parents expressed concern over the heavy school homework load, making it difficult for their children to attend extra classes.
- **Parental Education Level:** Some parents are not well-educated, making it hard for them to see the value in additional educational support.
- **Time Constraints:** Tight schedules due to school and home responsibilities were highlighted as a barrier to attendance.
- **Perception of Classes:** Some parents viewed extra classes as a burden rather than a benefit, particularly those less aware of their children's academic challenges.

Actions Taken

In response, the following steps were discussed:

- **Flexible Timings:** Adjust class timings to better fit students' schedules.
- **Awareness Programs:** Conduct sessions to help parents understand the importance of additional education.
- **Homework Assistance:** Explore integrating homework help into our sessions.
- **Regular Follow-ups:** Maintain communication with parents to monitor progress and address concerns.

Conclusion

The meeting provided valuable insights into the challenges faced by our students and their families. Moving forward, the Koshish Club is committed to working closely with parents to ensure that every child receives the support they need to succeed.
