Colours of Giving (Koshish Club)

Event: Colours of Giving.

Date: 19th - 20th March, 2024.

Organised by: Koshish Club of JYC.

Venue: JUIT.

Koshish Club, a dedicated initiative aimed at providing underprivileged children with access to quality education, organised their first donation drive "Colours of Giving", with the noble intention of bringing joy to the lives of those less fortunate. This heartfelt event provided the university community with an opportunity to extend a helping hand and make a positive impact on the lives of underprivileged children either from localities, families of workers or anyone in need.

The donation drive, held under the banner of "Colors of Giving" symbolised the spirit of Holi - spreading joy, love and compassion. Koshish humbly requested generous contributions from students and staff in any form, including stationery, clothes or monetary support. These donations were made for fostering social activities and providing essential resources to those in need.

The funds collected during the drive were earmarked for purchasing gifts for the underprivileged children, aimed at adding colour and cheer to their celebrations. Post-collection, meticulous arrangements were made to personally deliver these gifts to the children and individuals in need, ensuring that the donations reached the intended beneficiaries.

The success of the "Colors of Giving" donation drive was made possible by the collective efforts and selfless service of various

individuals, including faculty coordinators, Dr. Shikha Mittal and Dr. Raj Kumar, whose guidance and support were instrumental in orchestrating the event seamlessly, the student coordinators of the Koshish club along with dedicated volunteers, who also worked selflessly to organise and execute the donation drive. In the end, "Colours of Giving" served as a shining example of the power of collective kindness and community support.
