Report of Alumni Talk organized by Technovatorz Club in ECE department of JUIT on 13 August 2024

The **Technovatorz club** in the department of Electronics & Communication Engineering (ECE), JUIT Waknaghat organized a motivational talk on the topic: '**An Industry Perspective to Electronics & Communication Domain: Current Opportunities, Emerging Technologies, and Future Scope**'. The talk was coordinated by Dr. Pardeep Garg (Coordinator of Technovatorz club, ECE Department) under the guidance of Prof. Rajiv Kumar (HoD, ECE Department). The audience for the talk was first year (2024-25 admitted batch) students of UG and PG enrolled in ECE. The talk was delivered by Mr. Sanjay Kumar Singh. He is alumni of JUIT, he completed his UG in ECE (2002-2006 batch); and his PG in ECE (2021-23). Currently, he is working as Principal of Software Engineering and heading Domain, Architecture, Governance, and Strategy for Field, Network, and Inventory unit as part of Openreach Technology at the British Telecom Group. He motivated the fresh admitted students for their future endeavours. All the students were very enthusiastic; they all got a lot of inspiration by the talk and thanked the expert for the same. The HoD and the Coordinator of the event also thanked Mr. Sanjay Kumar Singh for sparing the valuable time out of his very busy schedule to motivate the fresh students of ECE department. The event was followed by high tea in Orange Shed of JUIT.

A few glimpses of the event are as follows:
