Seminar

On

“Cement Manufacturing Process & Vastu”

On May 16, 2024, the Civil Engineering Department of Jaypee University of Information Technology (JUIT) hosted a seminar on "Cement Manufacturing Process & Vastu" in collaboration with Ultratech Cement Ltd. The seminar aimed to provide an in-depth knowledge about cement manufacturing processes and the integration of Vastu principles in construction.

Speakers:

- **Mr. Mukesh Jha**, Area Head – Technical, Customer Solution North Zone: Mr. Jha delivered an insightful talk on the principles of Vastu and their practical application in modern construction. His presentation highlighted how Vastu can enhance the design and functionality of buildings, ensuring harmony and positive energy in constructed spaces.
- **Mr. Abhay Tomar**, Regional Head, Technical Customer Solution, Himachal Pradesh: Mr. Tomar focused on the intricacies of the cement manufacturing process. He detailed the various stages of production, the latest technological advancements in the industry, and the importance of quality control in ensuring durable and sustainable construction materials.

Moderator:

- **Dr. Tanmay Gupta**, Assistant Professor, Civil Engineering, JUIT

Event Highlights:

- **Student Participation:** Approximately 60 students from the Civil Engineering Department attended the seminar, benefiting greatly from the insights shared by the esteemed speakers. The interactive session allowed students to deepen their understanding of cement manufacturing and the practical application of Vastu in construction projects.
- **Interactive Session:** JUIT students were highly engaged throughout the seminar, posing thoughtful questions on various topics, including placement opportunities, research collaborations, and practical aspects of Vastu in construction. The dynamic interaction between the students and speakers fostered a rich learning environment.
- **Token of Appreciation:** As a token of appreciation, Ultratech Cement Ltd. distributed keychains to all participating students. This gesture was well-received and added a personal touch to the event.
- **Speaker Recognition:** The Head of the Department, Dr. Ashish, presented mementos to the speakers as a sign of gratitude for their valuable contributions. This acknowledgment highlighted the department's appreciation for the expertise and time shared by the speakers.

- **Hosting:** The seminar was adeptly hosted by Dr. Tanmay Gupta, whose excellent moderation ensured the smooth flow of the event. His engaging style facilitated an open dialogue and kept the participants actively involved.

Conclusion:

The seminar on "Cement Manufacturing Process & Vastu" was a resounding success, providing students with crucial knowledge and practical insights. The collaboration with Ultratech Cement Ltd. added significant value, making it a memorable and impactful event for all attendees. The Civil Engineering Department of JUIT looks forward to organizing more such enriching sessions in the future to continue fostering academic and professional growth among its students.
