ABOUT THE CONFERENCE:

The 7th International Conference on Signal Processing, Computing and Control (ISPCC 2k25) is to be organized by Jaypee University of Information Technology, Waknaghat, India. As a flagship event of JUIT, the ISPCC series has a rich legacy of success, with its previous six editions attracting widespread participation from national and international delegates.The primary aim of the ISPCC conference series is to serve a premier platform for researchers, academicians, industry experts, and government practitioners to present and discuss their latest innovations, research and advancements in **Signal Processing, Computing and Control**, focusing on their real-world applications. The theme of ISPCC 2k25 is **"Artificial Intelligence in VLSI"**. ISPCC 2k25 will explore a broad range of research areas, categorized into the following six conference tracks, while welcoming contributions beyond these domains:

- **Signal Processing**
- **Communication, Computer, and Information Technology**
- **Control and Automation**
- **VLSI, Embedded, and Ubiquitous Computing**
- **Engineering in Medicine and Biology**
- **Theme-Based Special Sessions**

All submitted papers will undergo a **peer-review process** by subject experts. Accepted papers will be assigned to appropriate sessions for presentation. The conference will be conducted in a **HYBRID** Mode (http://www.juit.ac.in/ispcc_2025)

SUBMISSION OF PAPERS:

Authors are invited to submit full papers in English with a maximum length of 6 pages (including figures, tables, and references) formatted according to the IEEE double-column style.

If the paper exceeds 6 pages but does not exceed 8 pages, Rs. 500 per page and foreign authors USD 50 per page additional fees will be applicable. Submissions must present original work that has not been previously published and is not under submission elsewhere. All papers will undergo review for scientific quality by the Technical Program Committee and external reviewers.

For submission please use the IEEE template available at
https://www.ieee.org/conferences_events/conferences/publishing/templates.html

Papers must be submitted electronically through the Microsoft CMT system at:
https://cmt3.research.microsoft.com/ISPCC2025/Submission/Index

Note: The Microsoft CMT system will manage the peer-review process for this conference, provided by Microsoft, including cloud services and software support.

IMPORTANT DEADLINES:

Submission of Full Length Paper : 31st January, 2025
Paper Acceptance Notification : 15th February, 2025
Submission of Final Version of Paper: 22nd February, 2025
Registration Deadline (early bird): 28th February, 2025

PRESENTATION AND REGISTRATION REQUIREMENTS:

At least one author of each accepted paper must register for the conference and be present for the paper presentation. If a paper is not presented by an author at the conference, it will be withdrawn from the proceedings and will not be included in IEEE Xplore.
