

National Cadet Corps

Event Name: ANNUAL TRAINING CAMP-147

Venue: MMU, KUMARHATTI

Dated: Dec 13-22, 2023

Introduction:

Under the leadership of Colonel VS Panag and the guidance of Subedar Major Joginder Singh, the NCC Annual Training Camp, named ATC 147, took place at the MMU campus in Kumarhatti, Solan, from December 13th to December 22nd, 2023. This ten-day experience marked a significant chapter in the journey of NCC cadets, offering a blend of military training, adventure, and character development.

Three students from Jaypee University of Information Technology actively participated in the camp, contributing their unique perspectives to the collective learning experience. The camp not only provided a platform for these students to showcase their skills but also fostered cross-cultural interactions, promoting unity among the cadets.

Activities:

1. 0.22 Rifle Firing:

The camp started with a focus on precision and discipline, engaging cadets in 0.22 rifle firing training. Under expert supervision, they acquired essential marksmanship skills, emphasizing accuracy and safety.

2. Firefighting Practice:

JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY

(Established by H.P. State Legislature vide Act No. 14 of 2002)

The Fire Station Solan conducted a hands-on firefighting practice session, highlighting the significance of rapid response and effective teamwork in emergency situations. Cadets gained practical experience in firefighting techniques.

3. Disaster Management:

A comprehensive lecture and demonstration on disaster management were integral parts of the camp. Cadets learned vital skills related to handling natural disasters, first aid, and evacuation procedures, enriching their knowledge and preparedness.

4. Weapon Handling - SLR Rifle:

The camp included sessions on weapon handling, with a specific focus on the Self-Loading Rifle (SLR). Cadets were imparted the knowledge of safe and efficient use, including the practical aspect of opening and handling the SLR rifle.

5. Map Reading:

Enhancing navigational skills, map reading sessions were conducted. Cadets learned to interpret topographic maps, contributing to their ability to navigate various terrains efficiently.

6. Physical Training (PT) and Yoga:

Daily routines incorporated physical training and yoga sessions, emphasizing the importance of holistic development. These activities aimed at enhancing physical fitness, flexibility, and mental well-being.

7. Sports:

The camp promoted sportsmanship through various athletic competitions, including volleyball, basketball, badminton, and kho-kho. These activities fostered camaraderie, teamwork, and healthy competition among the participating cadets.

8. Lecture on Cyber Security by Solan Police Station:

A special session on cyber security was conducted by the Solan Police Station. Cadets were educated on the importance of cybersecurity and were provided with essential tips on how to protect themselves from online threats. The lecture covered topics such as online privacy, safe internet practices, and measures to safeguard personal information in the digital age.

9. "Embracing Valor: Insights into Army Aspirations" with Brigadier Abhishek Choudhary:

Abhishek Choudhary, in a special session, addressed the cadets on the pathways to enter the army and highlighted the benefits of NCC in army careers. Colonel VS Panag's strategic vision coupled with Abhishek Choudhary's invaluable insights provided a comprehensive understanding of the armed forces. He shared valuable insights into the selection process, emphasized the significance of NCC in building a strong foundation, and outlined the advantages NCC cadets have when pursuing a career in the armed forces.

Key Takeaways:

The NCC Camp, ATC 147 at MMU, Kumarhati, Solan, created a comprehensive developmental experience for the cadets. Beyond acquiring military skills, the camp instilled qualities of leadership, discipline, and teamwork. Guided by the esteemed leadership of Colonel VS Panag and Subedar Major Joginder Singh, and enriched by insightful sessions, including the one on cyber security, the camp left a lasting impact on the cadets, preparing them for future challenges. The name ATC 147 now stands as a symbol of tradition and excellence in the annals of NCC training, with the active participation of students from Jaypee University of Information Technology.

CADETS FIRING AT TARGET USING .22 RIFLE TARGET ARE PLACED 25 METER AWAY
