Policy for Special Session- PDGC 2024

The following rules are in force for special sessions to be approved in 2024 Eighth International Conference on Parallel, Distributed and Grid Computing (PDGC 2024):

1. The special session organizers are supposed to be from different institution and should not be more than two in total. Session sessions organizers with foreign nationality will be given preference to maintain diversity in the conference.
2. The minimum number of papers submitted in a special session should be five and maximum of ten. Special sessions with less than 5 papers will be subject to removal and the submitted papers will be merged in different tracks of the PDGC 2024 conference.
3. The papers must be submitted through Microsoft Conference Management Toolkit (M-CMT). A link for the approved special session will be generated by the conference chairs and supplied to the session organizers.
4. The plagiarism score of the submitted papers in a special session should not exceed 20 % without bibliography.
5. The submitted papers will be reviewed by at least two reviewers. One reviewer will be from the PDGC 2024 organizers.
6. Final decision regarding acceptance will be the sole right of the PDGC 2024 Chairs in consultation with the special organizers.
7. There will be an exemption of registration fee for one accepted paper of the session organizers.
8. The special sessions are subject to the quality of submitted papers. The special session with sub standard quality papers will be rejected summarily by the PDGC 2024 Chairs.
9. It is the sole responsibility of the session organizers to publicize their special session call for papers.
10. The decisions of the PDGC chairs are final regarding rule 1 to rule 7 on any approved special sessions.
