JUIT signed a MoU with ICMR supported Centre for Innovation and Bio-Design of PGI, Chandigarh

Jaypee University of Information Technology (JUIT) has signed a memorandum of understanding (MoU) with the Indian Council of Medical Research (ICMR) supported Centre for Innovation and Bio-Design of PGI, Chandigarh. The Memorandum of Understanding was signed by Vice Chancellor Prof. Vinod Kumar, of Jaypee University of Information Technology, Waknaghat, HP and Dr. Varinder Garg of ICMR's, Centre for Innovation and Bio-Design of PGI, Chandigarh on August, 05th, 2020. The focus of this MoU will be on research and development in the field of medical devices, affordable health care, bio-design and other allied areas. This MoU will pave the way for future endeavors and collaborations between JUIT and ICMR in establishing research and development in these essential areas. JUIT's Department of Biotechnology and Bioinformatics, Department of Electronics and Communication Engineering, and Department of Computer Science Engineering and Information Technology will participate as key contributors in this MoU. The Centre of Excellence in Healthcare Technologies and Informatics (CEHTI), JUIT will manage the functioning and activities related to this MoU.

Please contact department level representatives who are already member of CEHTI, for the processing of future projects or related activities. Other departments are also welcome to join the relevant activities.

1. Dr. Tiratha Raj Singh, Department of BT and BI
2. Dr. Nishant Jain, Department of ECE
3. Dr. Hemraj Saini, Department of CSE
4. Dr. Ragini Raj Singh, Department of PMS

Sincerely

(Dr. Tiratha raj Singh)
Coordinator, CEHTI
