

Report on Presentation under Centre of Excellence in Sustainable Technologies for Rural Development

Topic: **Sustainable Development**

Time: 4:15 pm

Venue: JUIT, Wagnaghat, Solan

Date: 30 October 2018

Speaker: Prof. Ashish Kumar, Department of Civil Engineering, Jaypee University of Information Technology, Wagnaghat, Solan

Organized by: Centre of Excellence in Sustainable Technologies for Rural Development

An elaborative talk on sustainable development was delivered by Prof. Ashish to the members of “Centre of Excellence in Sustainable Technologies for Rural Development” in order to develop a road map for the centre. Members of the centre discussed about the long term vision, mission and ideas to strengthen the objective of the program and the centre.
