

IPR cell JUIT in collaboration with IIC, JUIT celebrated "World Intellectual Property Day," on April 26, 2024. The Chief Guest of the event was Sh. D.C. Rana, Director (Env.,ST & CC)-cum- Member Secretary (HIMCOSTE) and Guest of Honour was Dr. Suresh C. Attri, Joint Member Secretary (HIMCOSTE). Team welcomed Dr. Shashi Dhar, Co-ordinator HPPIC. and Advocate Vikas, Patents & Trademark Attorney, IP Magnitude. This day is celebrated to increase public awareness of the contribution that intellectual property (IP) rights make to the promotion of creativity and innovation. It honours the contributions that inventors and creators have made to the global advancement of economies and civilizations. In order to raise awareness of IPR and their significance in promoting innovation and economic progress, a variety of entities, including businesses, government agencies, and educational institutions, often organise events, seminars, and campaigns during the observance.

Prof. Shruti Jain Associate Dean (I) and Member Secretary, IPR cell JUIT delivered a talk on “ Role of IPR in sustainable development of Himachal Pradesh”. She provided information on how incorporating intellectual property rights (IPR) into Himachal Pradesh's development initiatives can stimulate innovation, safeguard traditional knowledge, advance economic expansion, conserve biodiversity, and improve the region's overall sustainability. To guarantee inclusive and equitable development, it is crucial to strike a balance between IP protection and the requirements and interests of local populations. She also informed that IPR cell JUIT is very active, since inception of cell team conducted more than 25 events. As on date 31 patents were granted, 31 published and 2 filed by JUIT. She also thanked Himachal Pradesh Council for Science, Technology & Environment (HIMCOSTE), Shimla for their financial support in previous years. More than 40 participants attended the event.
