on

“WORLD IPR DAY”

April 26, 2023

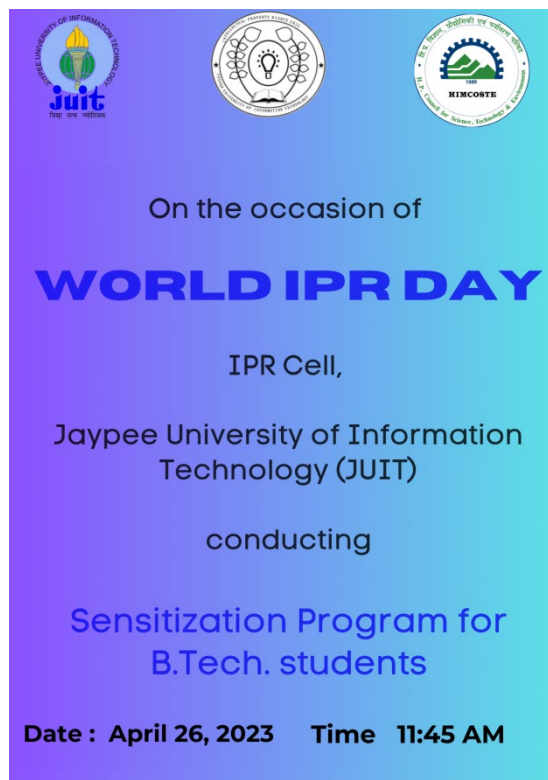

IPR cell, JUIT Wagnaghat celebrated *World IPR Day* on April 26, 2023. A seminar was organized on the “Sensitization Program for UG/PG students” by Prof. Sudhir Kumar, Head, Department of Biotechnology and Bioinformatics and Coordinator, IPR cell and, Prof. Shruti Jain, Associate Dean (Innovation). The event was conducted at 11:45AM. About 80 students attended the event.

He explained the concept of patents, copyrights, and designs by giving real-time applications. Later Dr. Shruti, conveyed the participants about the IP firm for Patent filing from JUIT. The patent experts of the company help in filling process and drafting process. She also let them know that on April 18, 2023, we had filed one patent of a 3rd-year B.Tech student with the IPR team. Students were motivated by the session.

The IP Cell of JUIT assured the participants to answer their queries, if any, in future and assured them to provide all possible assistance in filing their IPs.

The IP Team of JUIT owe their thanks to HIMCOSTE, Shimla for providing support.

JUIT Waknaghat celebrates World IPR Da
