## **Report on Orientation Seminar Conducted on National Education Day**

**Event:** Lecture on *National Education Policy (NEP) 2020*

**Occasion:** National Education Day

**Date:** 11th November 2024

**Time:** 11:00 AM

**Venue:** Lecture Theatre 2 (LT2), Jaypee University of Information Technology

**Participants:** Students of Jaypee University of Information Technology, Wagnaghat

In commemoration of **National Education Day**, a lecture on the **National Education Policy (NEP) 2020** was organized on **11th November 2024** at **Jaypee University of Information Technology (JUIT)** for the students of the university in LT-2. National Education Day, celebrated annually to honor the birth anniversary of Maulana Abul Kalam Azad, India's first Minister of Education, serves as an opportunity to reflect on the importance of education in nation-building.

The session aimed to provide students with a comprehensive understanding of NEP 2020, its guiding principles, and its implications for higher education.

### **Details of the Session**

The lecture was delivered by the NEP Coordinator of the university, Prof. Rakesh Kumar Bajaj (HoD, Maths) at 11:00 AM in **LT2**, with an enthusiastic turnout of students. The event commenced with a brief introduction to National Education Day and its significance, education reforms and policy.

The speaker elaborated on various aspects of **NEP 2020**, including:

**Vision and Objectives of NEP 2020:** Making education more holistic, flexible, multidisciplinary, and aligned with the needs of the 21st century. Transforming India into a global knowledge superpower.

**Key Reforms in Higher Education:** Integration of disciplines to offer multidisciplinary education. Flexibility in the choice of subjects with the option for multiple entry and exit points. Emphasis on research, innovation, and the development of critical thinking.

**Skill Development and Employability:** Promoting vocational education from an early stage. Encouraging internships and experiential learning.

**Role of Technology in Education:** Digital literacy and the adoption of EdTech platforms to enhance learning outcomes.

**Student-Centric Approach:** The importance of personalized and inclusive learning, ensuring no child is left behind. Empowering students to shape their academic and career paths.

The interactive session fostered a dynamic environment where students posed questions about the implementation of NEP 2020 and its relevance to their educational journey. Key

concerns included the adaptability of existing institutions to the proposed changes and the role of students in embracing this transformative shift.

The speaker addressed these queries with practical examples, ensuring clarity and inspiring students to actively participate in the evolving education landscape. The event underscored the importance of NEP 2020 in shaping the future of education and empowering students to achieve their aspirations. The lecture left the audience inspired and better informed about the opportunities and challenges that NEP 2020 brings to the Indian education system. Students record who attended the event is attached for reference.
