At New Delhi

From 29th November 2023 to 30th November, 2023

Exhibition participation carried out by the Jaypee University of Information Technology, Waknaghat on 29th November 2023 to 30th November, 2023 at 18th FICCI Higher Education Summit 2023 at Dr. Ambedkar International Centre, New Delhi. The following members participated in the event as delegates: Prof Dr. Ashok Kumar Gupta (Dean Academics & Research), Dr. Naveen Jaglan (Associate Professor, Depatement of ECE), and Dr. Tanmay Gupta (Assistant Professor SG, Department of Civil Engg.) and the Exhibiters were Dr. Jitendraa Vashistt (Associate Professor, Department of BT/BI) and Mr. Praveen Kumar (Jr. Coordinator Admissions).

The event started with inaugural session and Key addresses by the Dignitaries most of them from the education industry. The panel discussions held throughout the both days with theme titled: Empowering Minds, Driving Transformation: Redefining the future of Higher Education.

At our stall many Ed-Tech companies and Education consultants' interaction during the event, out of which few of them are useful for the admission purpose. Interaction with different school students, parents and teachers, most of them 12th standard, there we also interacted with officers of other renowned universities.

In total approx 1300 visitors attended the event over two days. Total 36 students wrote their details with interest of course after schooling and college in the visitor book. They were counseled about the courses and careers. Along with this we, also distributed brochures to the other students at the event.

Overall it was very knowledgeable and useful event and can be done in future.
