Jaypee University of Information Technology (JUIT)

Waknaghat, Solan (H.P.)

Polytechnic Colleges Outreach Activity and Career Counseling Programme

At Sundernagar and Kullu area, H.P.

(13th March to 15th March 2024)

An outreach and career counseling activity for Polytechnic college students was carried out by Jaypee University of Information Technology, Waknaghat during 13 March 2024 to 15 March 2024. The Department of Civil Engineering and Computer Science & Engineering have participated in this activity. Dr. Saurav, Mr. Prateek Thakral and Mr. Praveen Kumar from Admission Cell visited Sundernagar and Kullu area Polytechnic colleges for guiding the students for their future education and career plan. The Team has also showcased the video of university to the students.

An expert lecture delivered by Dr. Saurav on **Topic "Pre Stressed Concrete"** in Govt. Polytechnic College, Sundernagar and Lahaul & Spiti also delivered an expert lecture on **Topic "Safe Construction Practices in Himachal Region"** in Govt. Polytechnic Colleges Kullu for Civil Engineering students. Total numbers of student's strength in these colleges with whom these interactions were made was approx 200+ Students were counseled about various options available after their diploma course.

Students were informed about various recent developments in technologies where they can play an important role for the growth and development of the state as well as our country. Students were informed about engineering courses available after their diploma course at JUIT and were also sensitized about the future prospects in these engineering streams such as Computer Science and Engineering, Civil Engineering and Information Technology along with current trends in Data Mining, Machine learning, Deep learning, Artificial Intelligence and drone technologies etc.

Govt. Polytechnic Lahaul & Spiti and Govt. Polytechnic Kullu have shown their interest in Memorandum of Understanding (MoU) with Jaypee University of Information Technology, Waknaghat.

List of Polytechnic Colleges covered:

S.No	College
1.	Govt. Polytechnic College, Sundernagar
2.	Govt. Polytechnic College, Lahaul & Spiti at Sundernagar
3.	Govt. Polytechnic College, Kullu

Photographs of College 1: Govt. Polytechnic College, Sundernagar

Photographs of College 2: Govt. Polytechnic College, Lahaul & Spiti at Sundernagar

Photographs of College 3: Govt. Polytechnic College, Kullu

Outcome of the activity:

1. Informal feedback from participants in this activity has been very positive. For the activity; the responding students indicated that they had a better understanding of engineering and recent technologies.

2. Most of Student queries solved regarding the admission process, eligibility criteria, required documents and deadlines. Encouraging them to consider attending the further higher education through lateral entry.

3. Overall, the student's as well as faculty's responses were very positive for the activity.
