

Outreach Activity Report

Jaypee University of information Technology, Wagnaghat, Solan-173234, H.P.

Activity: Science and Engineering

Date: 09-04-2018

Places of Activity: Govt Vallabh Degree College Mandi, Himachal Pradesh

Target Audience: Students of B.Sc. 6th semester and lecture of the Govt Vallabh Degree College Mandi

Place of activity: Govt Vallabh Degree College Mandi

Target Audience: Students of B.Sc. Biotechnology 6th semester and faculty of Govt Vallabh Degree College Mandi

Number of Participants: 20-25

Objectives of the activity:

1. Student awareness for new and exciting carrier opportunities and M.Sc. course at JUIT.
2. To make students familiar with new and emerging fields of studies such as Bioinformatics, Biotechnology and Electronics etc.

Photo taken during visit and Govt vallabh college Mandi, Himachal Pradesh

Visiter and Departments:**Faculty:**

1. Dr. Ashok Kumar, Assistant Professor (Grade II), Department of BT and BI

Content of the activity:

1. Lectures

Dr. Ashok Kumar interacted with students about Bioinformatics, Biotechnology

Interaction with all faculty, lab staff and students

Distribution of brochures of M.Sc. courses at JUIT Waknaghat to the students and faculty

Outcome of the activity:

Informal feedback from participants in this activity has been very positive. For the activity; the responding students indicated that they had a better understanding of science, had an increased interest in looking up more information on their own.

The results from activity show they seem to have a positive effect on students' interest in science. Overall, the student responses were very positive for the activity, and this may be due to the longer, more personal interaction with a scientist that students receive in this program.
