

## **15 students Completed Online Internship at IIT Ropar- 2022**

Happy to inform you that 15 students under the 03 projects have completed an Online internship in partnership with Innovation Mission Punjab from **June 15 - August 25, 2022**, at the Agriculture & Water Technology Development Hub (AWaDH), Indian Institute of Technology Ropar.

1. Design of a smart Crop Sensor System for efficient application of fertilizers and maximizing absorption

Devesh Nijhawan (191279)

Jasmeen Kaur (211429)

Ritika Dadwal (211432 )

Sehajpreet Kaur (211559)

Nilakshi Sharma (211411)

2. Design of an IoT-enabled Drone Crop Sprayer

Rahul Rana (201024)

Harshit Singh (201002)

Akhil Verma (201005 )

Aryan Bhardwaj (201182)

Himanshi Sood (201006)

3. Design of an IoT-enabled Crop Irrigation Systems

Ekal Sharma (201016)

Maitreyi (201025)

Tushar Paul (201007)

Manas Jain (201017)

Rishita Kumari(201010)
