TECHWHIZ - The Engineer's Quest

On September 15, 2023, *TECHWHIZ - The Engineer's Quest* was held in conjunction with **IEEE JUIT SB, ACM JUIT, SIAM JUIT, TIEDC, WIE AG IEEE JUIT SB, Alumni Cell, and Technical and Sciences Club (JYC)** of Jaypee University of Information Technology to commemorate *National Engineer's Day*. With a strong emphasis on technology, innovation, problem-solving, and the remarkable contributions of engineers to society, TECHWHIZ promises to be an extraordinary educational experience on Engineer's Day.

The event commenced with the inauguration of a TECH Talk by our distinguished guest speaker, Varun Singh, followed by a captivating PowerPoint presentation highlighting the significance of Engineers' Day, the contributions of engineers in today's world, and renowned engineers who have left an indelible mark on history. Varun Singh, a renowned engineer in his own right, graced us with his insightful TECH Talk, shedding light on the ever-evolving

role of engineers in shaping the world. His talk emphasized the importance of innovation, problem-solving, and the engineer's unique ability to transform ideas into reality.

Varun Singh graduated with honors in Computer Science and Engineering (CSE) from Jaypee University of Information Technology, Solan in 2022. As a highly skilled Software Engineer, Varun excels in the world of technology, consistently delivering innovative solutions. However, Varun's impact goes beyond the realm of coding. With a passion for mentorship, he has been instrumental in transforming the career trajectories of aspiring tech professionals. Currently mentoring students at Newton School, he has successfully guided over 250 individuals in transitioning till now from non-tech backgrounds to flourishing careers in the tech industry. In addition to his full-time role, Varun is an adept part-time freelancer, further expanding his horizons and contributing to diverse projects across various domains. This multifaceted professional continues to be a driving force in both his personal growth and the tech community. Varun embodies the spirit of continuous learning, innovation, and giving back, making a significant impact in the tech world while inspiring the next generation of tech enthusiasts.
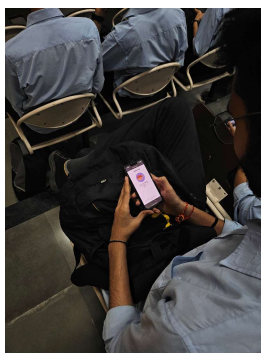

The presentation encompassed various facets of Engineer's Day, including the historical significance of the day, its relevance in the modern world, and a tribute to some of the most influential engineers in history. The audience was captivated by stories of engineers like Nicola Tesla, Dr. APJ Abdul Kalam, and Ms. Rajeshwari Chatterjee, who have inspired generations with their groundbreaking contributions.

A crucial segment of the presentation was dedicated to explore the sources of inspiration that drive individuals to pursue a career in engineering. The audience had the opportunity to hear personal stories from our members, sharing their motivations and experiences that led them to choose engineering as a path of passion and purpose. The event concluded on an interactive note with an engaging quiz about engineering, its history, and notable engineers on AI tool 'Mentimeter'. Attendees actively participated, showcasing their knowledge and enthusiasm. Prizes were distributed to the quiz winners, adding an element of fun and competitiveness to the celebration.
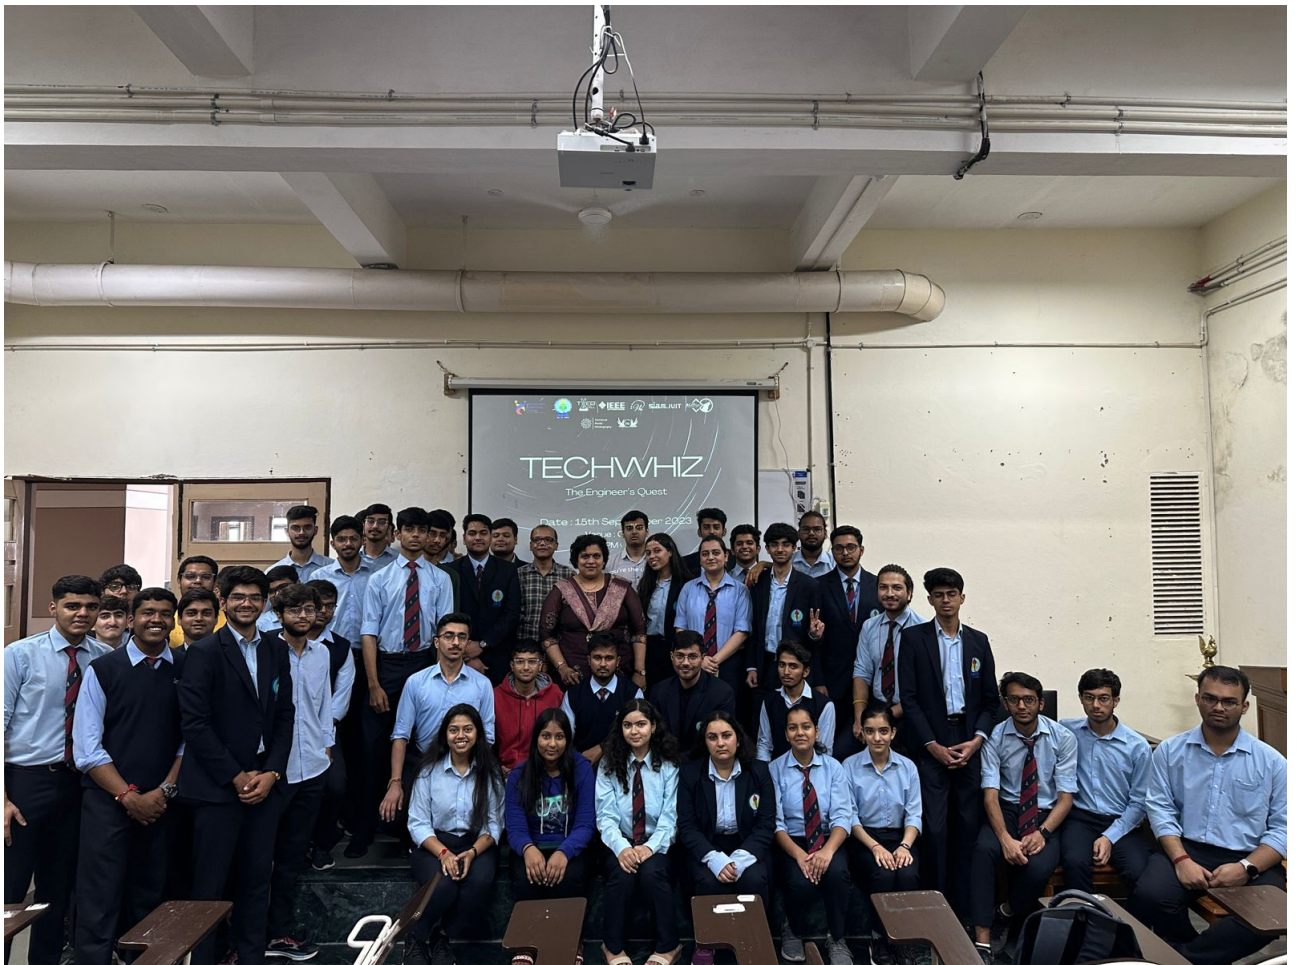

The winners of the event are

Prize	Name	Enrollment No	Batch
1st	Omansh Shrama	231030069	B.Tech. 1st year CSE
2nd	Shivansh Choudhry	221030202	B.Tech. 2nd year CSE
3rd	Saransh Dogra	231030042	B.Tech. 1st year CSE

JUIT, Solan: Celebrates National Engineer's Day with TechWhiz Event

⊙ 3 hours ago   ✎ Himachal Tonite

Solan, September 16 – Jaypee University of Information Technology (JUIT) marked National Engineer's Day with "TECHWHIZ – The Engineer's Quest" in collaboration with IEEE JUIT SB, ACM JUIT, SIAM JUIT, TIEDC, Alumni Cell, and Tech Club(JYC). This event focused on technology, innovation, and featured an alumni discussion and quiz. Mr. Varun Singh, an alumnus of JUIT's CSE Department, was the guest speaker. Omansh Shrama (1st yr), Saransh Dogra (1st yr), and Shivansh Choudhry (2nd yr) secured the top three positions in the quiz competition. JUIT continues to organize such events to foster student interest in Engineering and contribute to India's development.
