Action Take Report Format for National Startup Day Exhibition

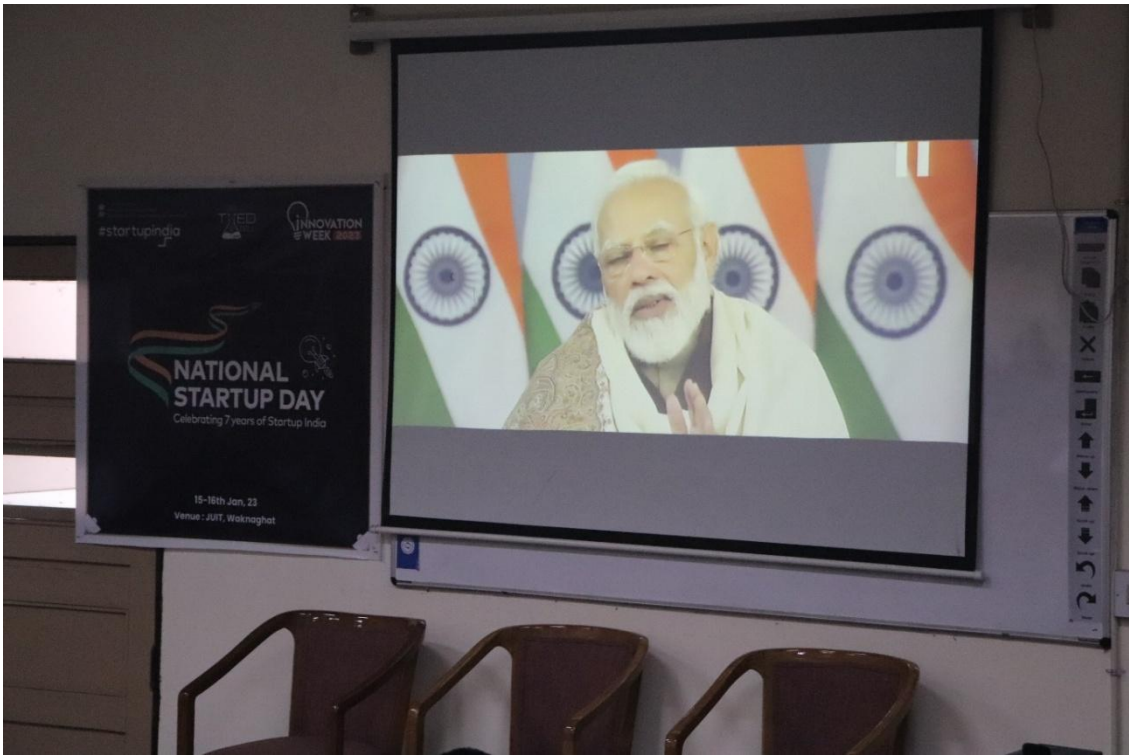

Date and time of the event	Name of the Event	Venue	Brief Summary of the Event	Number of participants
15/01/23 6:30 PM	Executive Symposium	TIED Cell, JUIT	Startup Day at JUIT saw its commencement with a competition where students from the 1st and 2nd year had to simulate a Boardroom meeting. All the participants were given roles such as investors, CEO, etc. on the argument of Twitter announcing that anyone can get a verification mark for 8\$, and the need for the removal of the current CEO of the company Elon Musk after the discontent and uproar amongst customers.	60
16/01/23 2:00 PM	Expert Talk and Panel Discussion	CR 3, JUIT	To enlighten students with the knowledge of startups and entrepreneurship, TIEDC, the e-cell of JUIT organized a Speaker session where 2 profound founders Anmol Jamwal, CEO of Feoster and Shivansh Sethi, Founder of Aiotoze shared their insight on how students should propose investors and how the mentors and teachers should help the students. The session provided students to elevate their acumen about startups and one's approach to them.	110
16/01/23 4:00 PM	Startup Exhibition	TIED Cell, JUIT	A second opinion on ideas is a must when it comes to startups, and who better to provide cognizance on it than people who have built their own startups from scratch and are	30

			<p>now big names in the business. To conclude the event, students from JUIT who had ideas for startups or even inspirations presented them in front Anmol Jamwal and Shivansh Sethi. The two of them helped the students to ideate their startups better and also told them if they were practical at all. Startup Day ended with students learning and uplifting their understanding of entrepreneurship and startups with the inspiration to innovate and create.</p>
