Elevator Pitch

Event: TIED Cell

Date : 10.02.2024

Attendees: 20+

Event Poster :

Event Objective:

The primary objective of this event was to provide first-year students with an opportunity to develop and present concise and compelling business pitches within a short time frame, simulating real-world scenarios encountered in entrepreneurship. By immersing participants in this experiential learning environment, the event aimed to instill confidence, refine communication skills, and ignite a passion for innovation and entrepreneurship among the budding talents of the university community.

Event Description:

The event, organized by TIEDC, offered an interactive platform for participants to craft and deliver business pitches. First-year students' enthusiastic participation injected vibrant energy, fostering a dynamic atmosphere. Attendees received guidance, engaged in lively exchanges, and networked with industry professionals. The session concluded with a spirited Q&A session, enriching participants' entrepreneurial acumen and fostering creativity within the university community. Remarkably, the event's success highlighted the immense potential of nurturing entrepreneurial spirit and collaborative innovation among students, promising a bright future of innovation and entrepreneurship within the university ecosystem.

Event's Benefits:

- **Enhanced communication skills:** Participants learned to articulate ideas concisely and effectively.
- **Idea validation:** Feedback helped refine business concepts and identify areas for improvement.
- **Networking opportunities:** Participants connected with industry professionals for potential collaborations and mentorship.
- **Inspiration and motivation:** The event ignited passion for innovation and entrepreneurship among attendees.
- **Confidence Boost:** Participants gained confidence in presenting ideas, enhancing their professional poise.

- Collaboration Skills: Through teamwork, attendees learned the value of collaboration in business development.
- Practical Insights: Crafting pitches provided real-world experience and insights into entrepreneurship.
- Skill Development: Participants honed problem-solving and critical thinking skills essential for success.
