Workshop on
Engineering and Entrepreneurship: A step towards fulfilling dreams

A workshop on Engineering and Entrepreneurship was organized by Technology Innovation and Entrepreneurship Development Cell (TIEDC), JUIT on Nov 16th and Nov 17th, 2017. Aim of the workshop was to help 3rd and 4th year students in improving the entrepreneurship skills and motivate them for their future goals towards the same. The workshop was designed to impart essential knowledge of individual's personality, teams, opportunity recognition, business model canvas, and pitching.

Dr. Vinay Kumar , Assistant Professor, ECE Department, Thapar University and Dr. Anita Sharma, Assistant Professor of Entrepreneurship, Thapar University were the Keynote speakers of the workshop. The workshop was attended by more than 60 students.
