

Student Research Convention-2018

Student Research Convention-2018 was jointly organized by Technology Innovation and Entrepreneurship Development Cell (TIEDC), JUIT and ACM, JUIT student chapter on 9th Feb 2018. Aim of the convention was to identify and nurture the research talents among young researchers. For this total of 22 projects were accepted for poster presentation under 4 tracks: CSE&ECE, ICT, Civil, and BT & BI. These posters were judged by Dr. Yashwant Singh, Associate Professor, Department of Computer Science and IT, Central University of Jammu; Dr. Jata Shankar, Associate Professor, BT and BI Department, JUIT; Dr. Udayabanu, M, Assistant Professor, BT and BI Department, JUIT; and Dr. Harsh Sohal, Assistant Professor, ECE Department, JUIT. They judged the projects for the following five points: (i) Clarity in the idea, (ii) Innovation in the idea, (iii) Importance of the problem, (iv) Commercial Potential, and (v) Feasibility. Based on the total points scored, best three projects were awarded in each track. First awardee was given a coupon of Rs 2500/-, second awardee was given a coupon of Rs 1500/-, and third awardee was given a coupon of Rs 1000/-.
