Talk On
"Innovation, Entrepreneurship & startup"

To sensitize the students about innovation and startups, Prof. Ashish Kumar – Head Civil Engineering Department, Jaypee University of Information Technology, Waknaghat, Solan had interactive session on 24 April 2024 with students of MRA DAV Public School, Solan. A total of around 600 students of class 9th to 12th in 4 sessions attended the talk. The Jaypee University of Information Technology Solan has established a Technology Incubation and Entrepreneurship Development Cell (TIEDC) funded by the Directorate of Himachal Pradesh under the Chief Minister's Startup Scheme, TIEDC aims to foster innovation and entrepreneurial skills among the youth.

In this interactive session, Prof. Ashish guided them about Idea Generation, Principles of Innovation and motivated them towards self employment. He also highlighted the significant features of this Chief minister's startup scheme and encouraged them to materialize their ideas through incubation centre. Students were happy to know about the opportunities available to support their innovative ideas. The event was coordinated by Senior Faculty member of the school Sh. Pankaj Gupta and Principal Ms. Masooma Singha extended gratitude to Prof. Ashish Kumar for sensitizing their students on the aspects of startup and innovations.
