Event Summary:

TIEDC in collaboration with iCreate conducted a Virtual Road Show with the purpose of explaining the growth and scope in electronic vehicles. The workshop was focused on promoting and encouraging young minds to brainstorm and come up with ideas to become a part of this growing industry.

Event Objective:

TIEDC in collaboration with iCreate conducted a Virtual Road Show which was aimed to enlighten students about the growth in the electric vehicle industry as well as start-ups related to the former. Moreover, with skilled speakers, the goal was extended to motivate participants to ideate and take part in "EVangelise" that involves a Total Cash Prizes worth Rs 88.5 lakh.

Benefits of the event:

The workshop was a very intuitive and unique learning experience and had very profound and exquisite speakers including Dr. Ashish Rohila, Dr. Shantanu Chaturvedi and Mr. Aakarshan Sethi. The timeline of the electronic vehicle industry was explained in a neat and organized way which made understanding the entire concept relatively easy. All questions asked by the participants were answered in a satisfactory way making the workshop extremely necessary and enjoyable.
